# DR ZWITSER HET PAASKIPJE

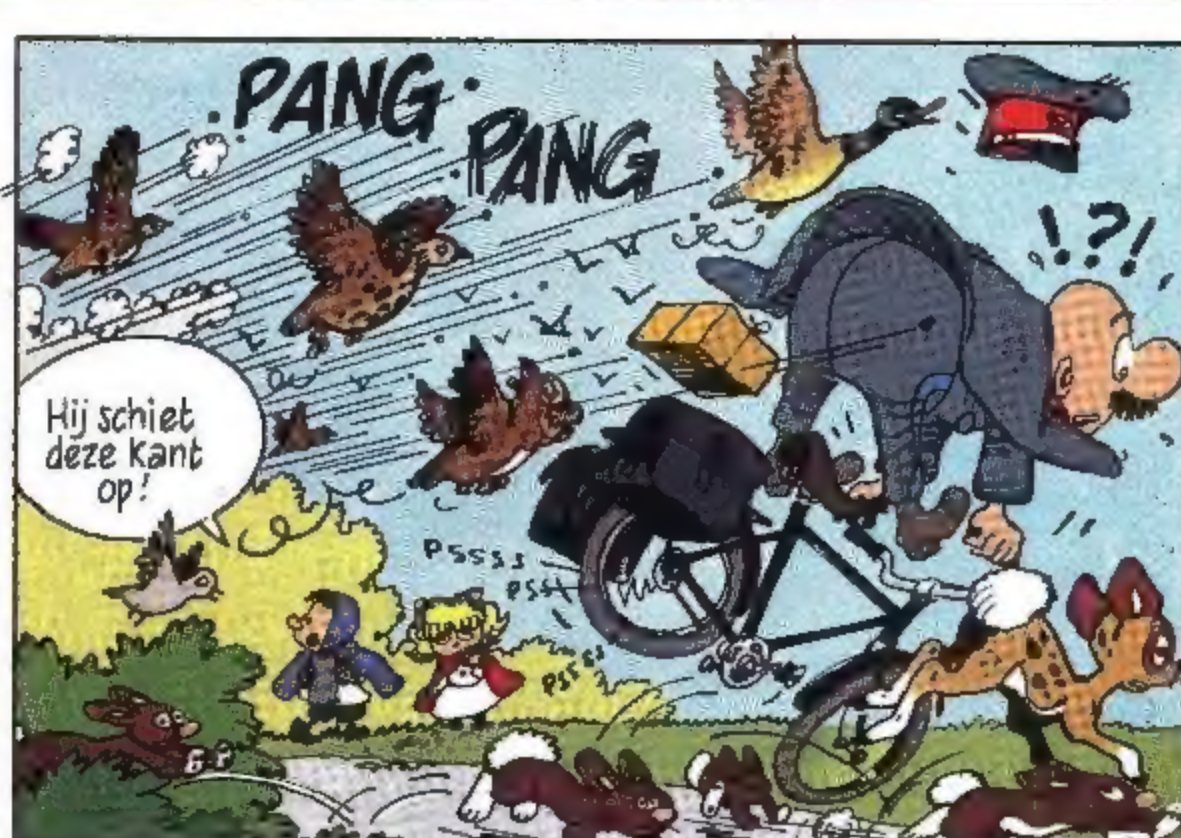

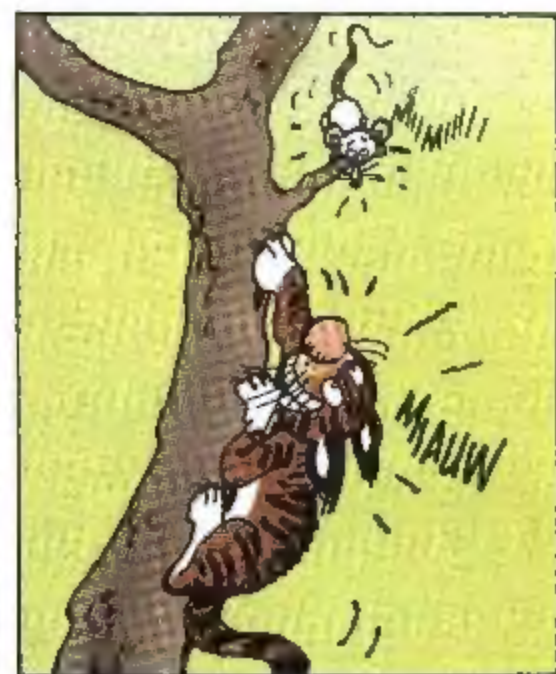

\* Zie het vorige Casterman-album : Dr. Zwitser en de Kerstman.

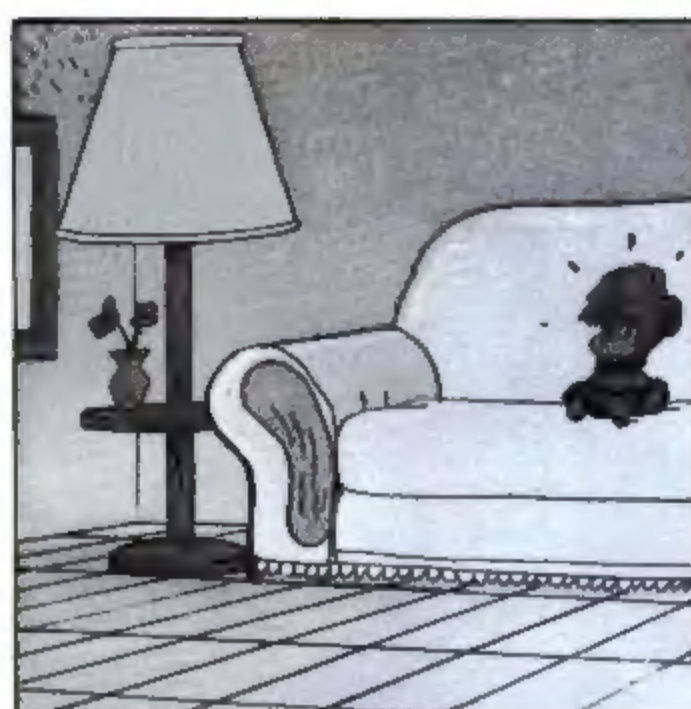

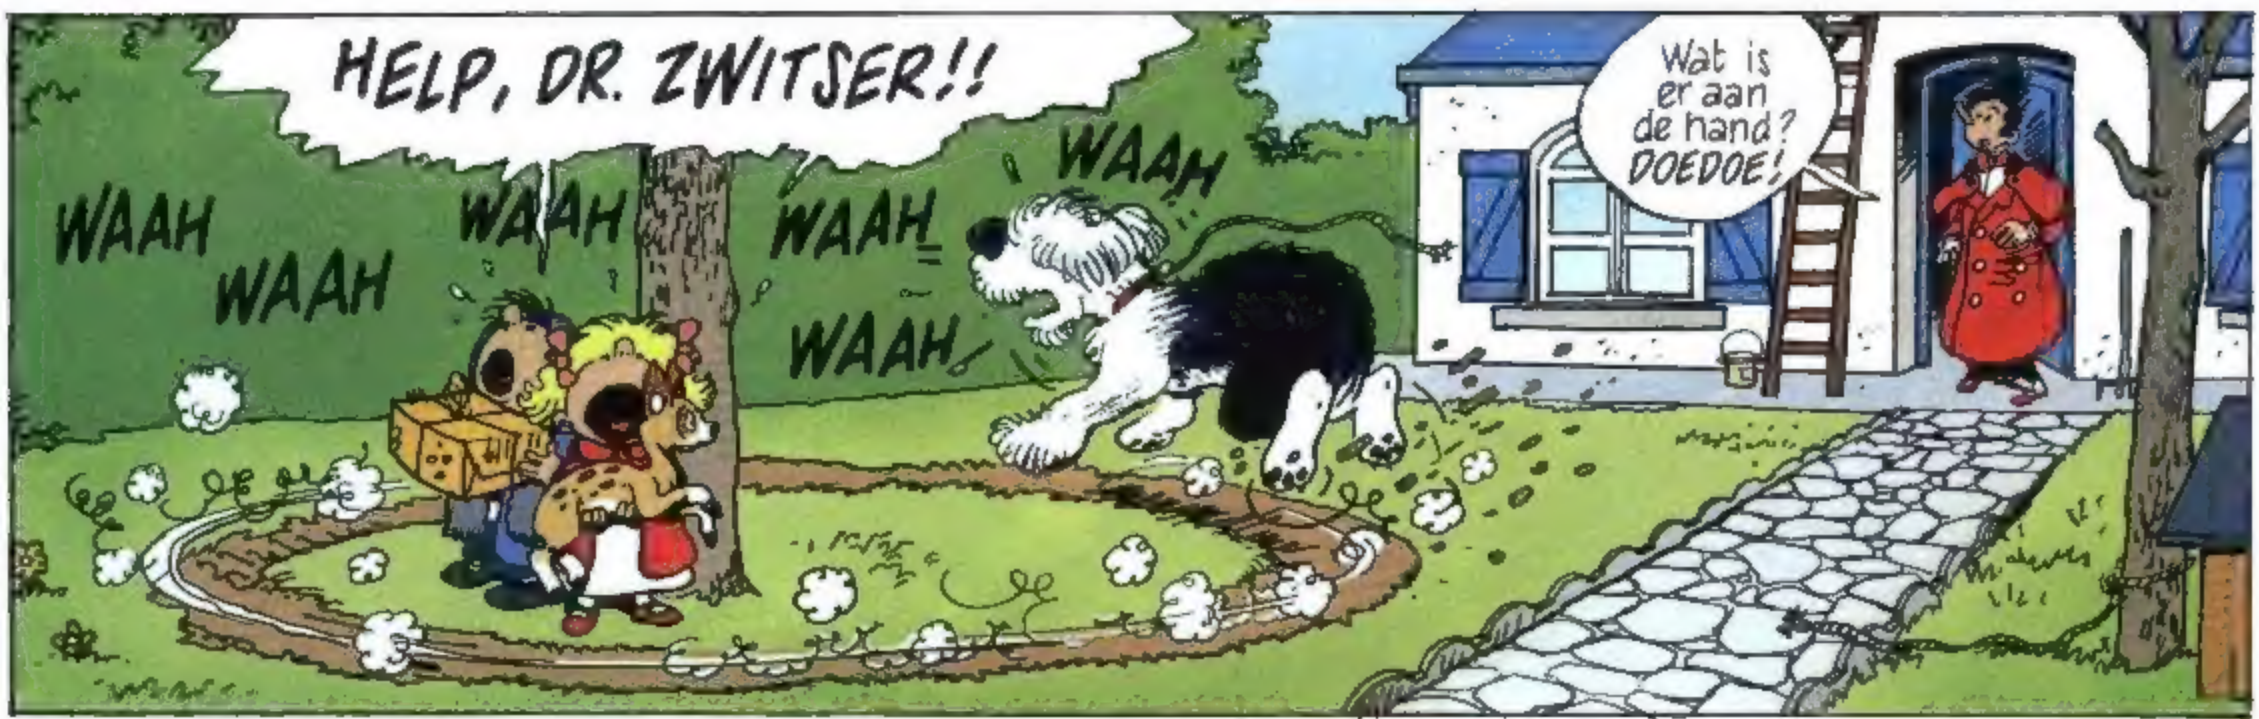

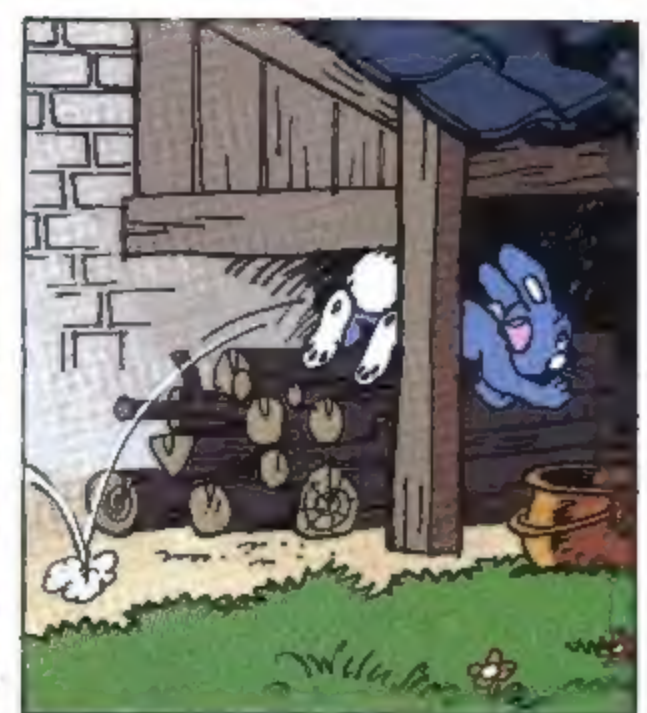

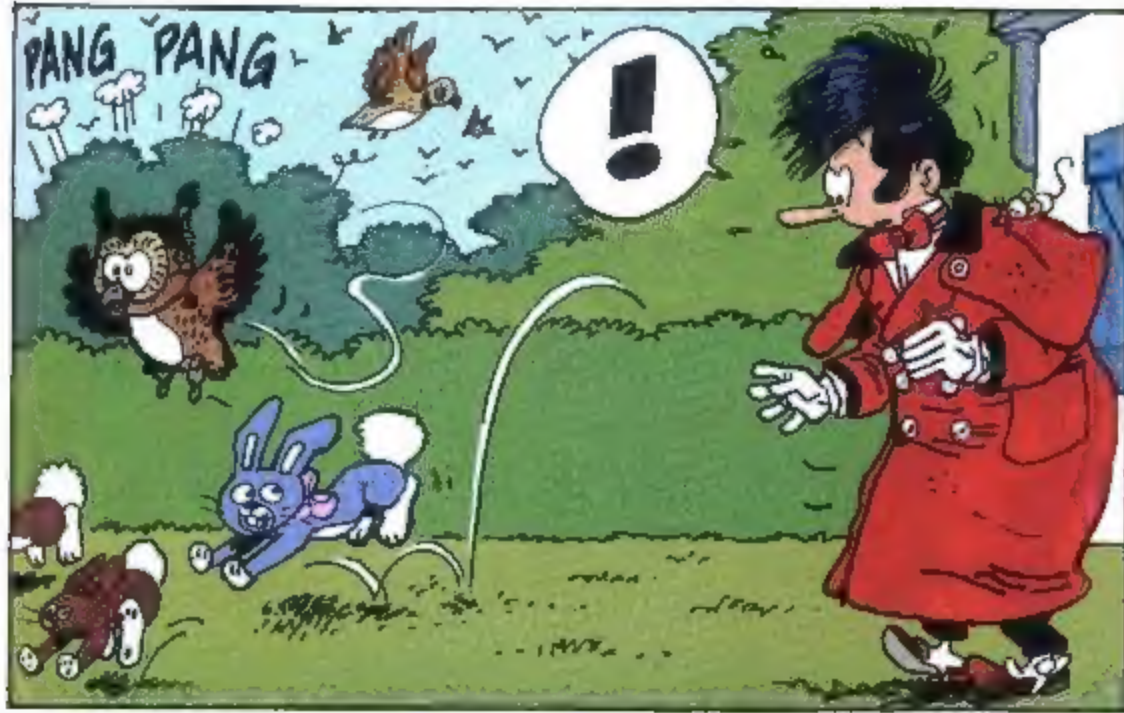

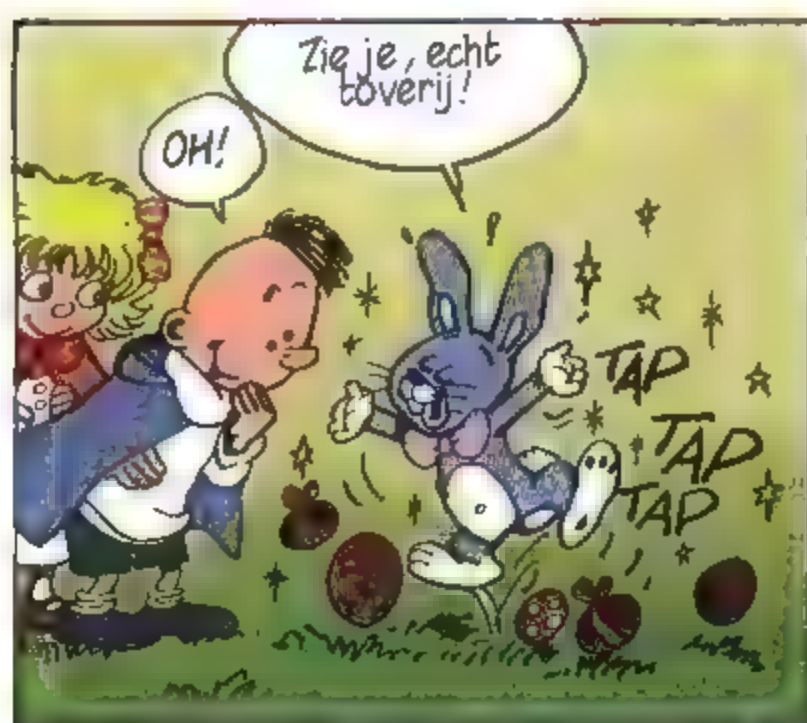

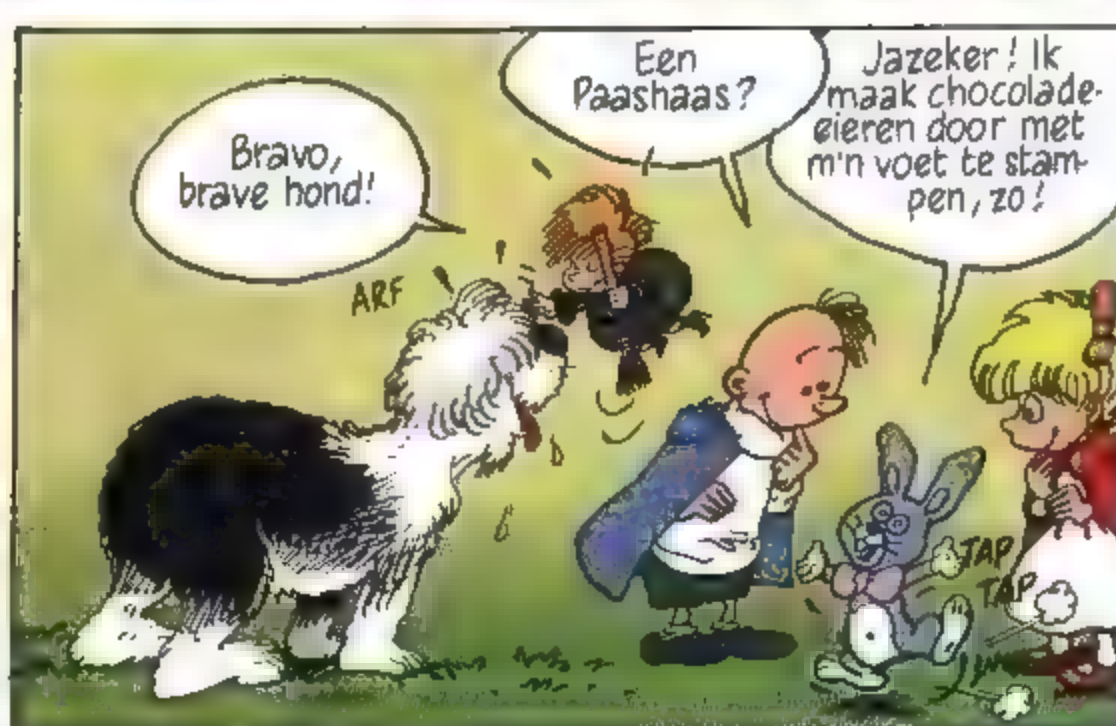

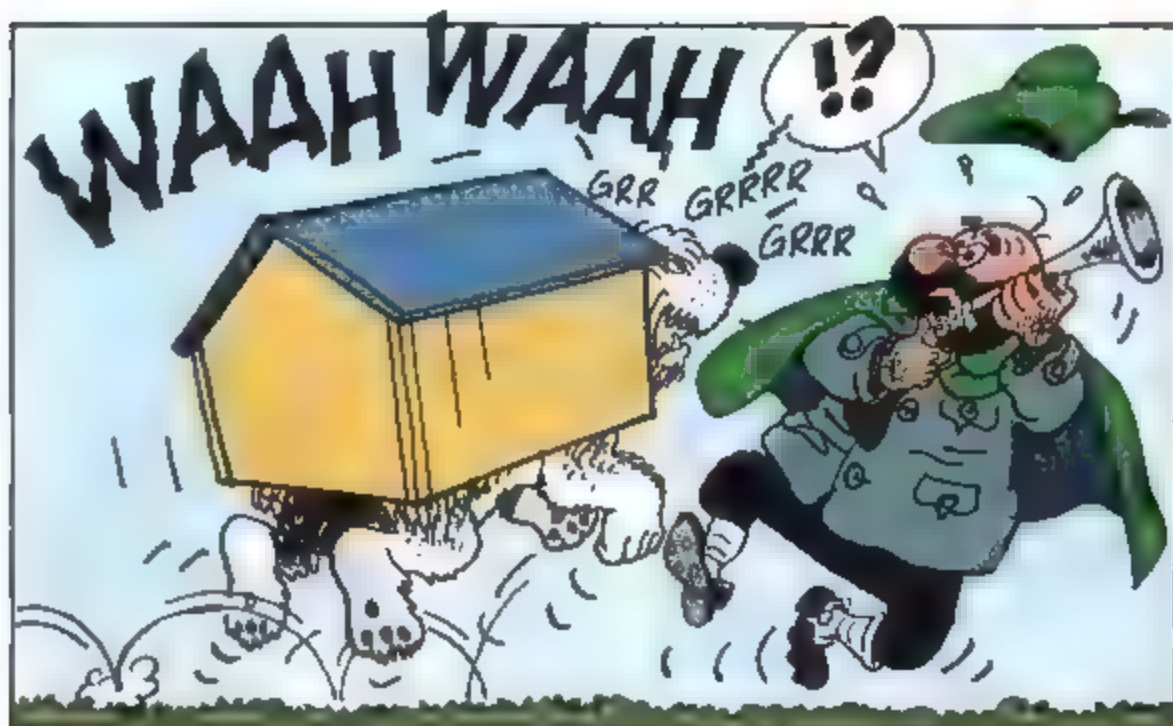

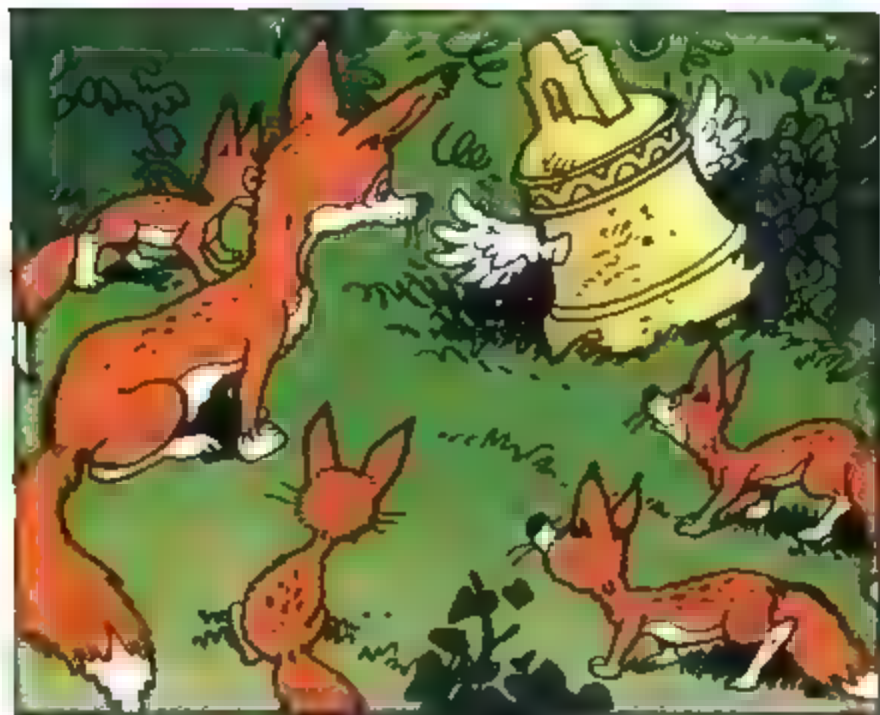

Op hetzelfde moment.

Hier, dr. Zwitser! Doedoe heeft de klok gevonden!

Arm klokje, het huilt. Het lijkt net of 't gewond is.

Help me even tillen! Er zit vast een kipje onder.

Zie je iets, blauwe haas?

Het is leeg! Waar is het gele kipje, klokje?

WOEF WOEF HOE HOE

Hu... Hu...! Een... gemene jager heeft het Paaskipje gevangen om het g... gouden eieren te laten leggen! ik... ik weet niet waar... hij het heen heeft gebracht! Boehoehoe... Snif... Snif...

O, weer een streek van die gemene jager!

Het ergste is nog dat ons klokje hier het kipje droeg dat de Paaseitjes aan de kinderen van het dorp moest brengen. Nu zullen de kinderen morgen niets in hun tuin vinden!

Ze zegt dat ze hulp kan halen en de andere klokken kan waarschuwen, als iemand haar vleugel beter kan maken.

Maar... ik ben geen klokkendokter! Wat nu?

Ik ken een heks die het kan! Maar die woont heel ver weg!

Hoe heet die heks?

Heks Marie!

O, maar die kennen wij ook!

Met behulp van mijn toverstokje zijn we zo bij haar! Pak elkaars hand vast! Opgepast: ABRACADABRA!

Ik vlieg!

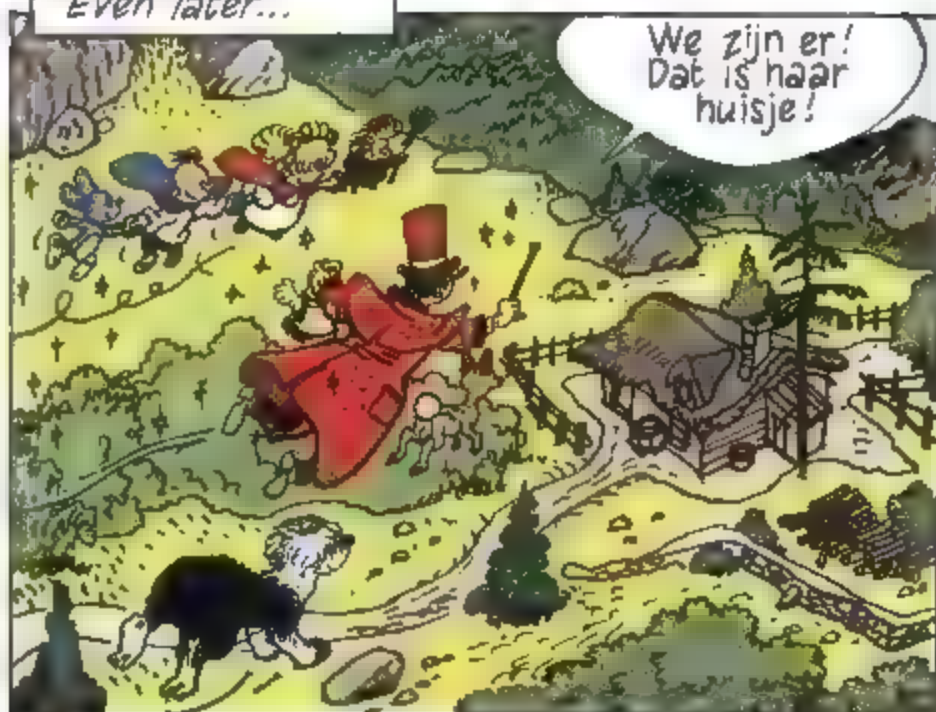

OooooH

Ja, geweldig!

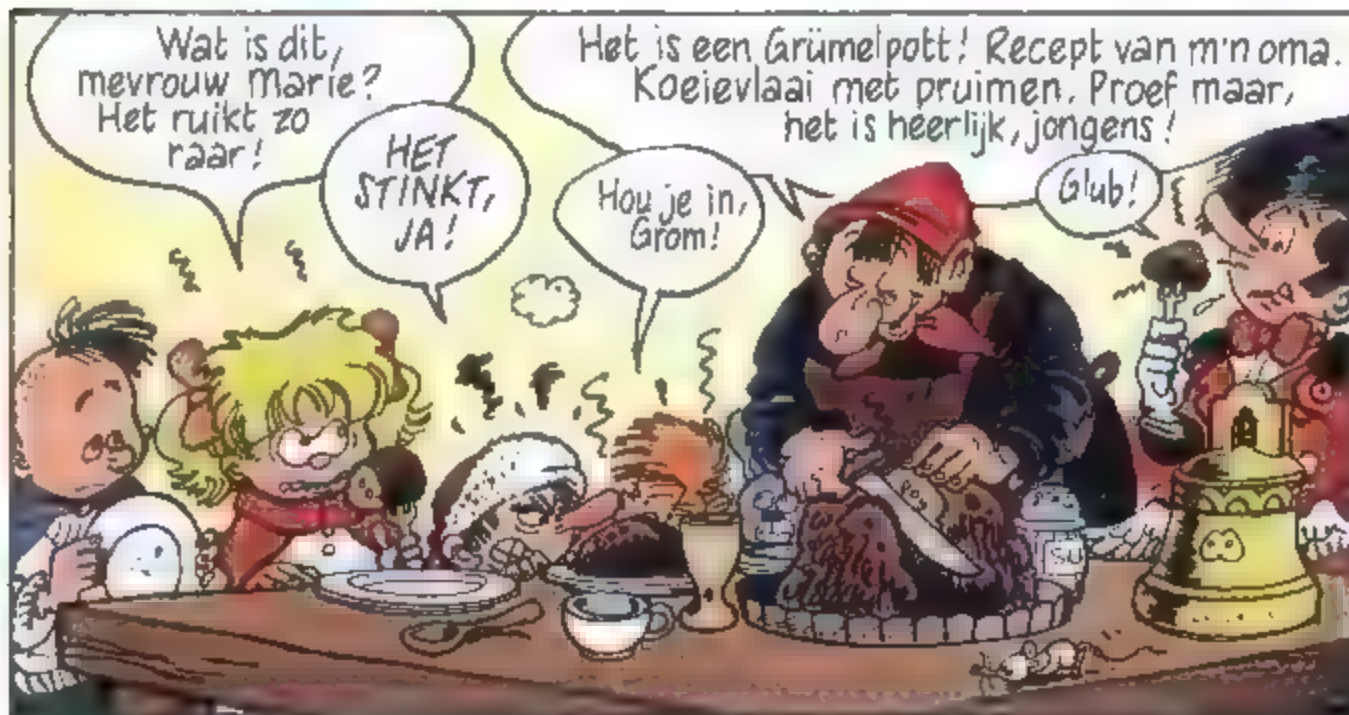

Blijf tussen de sterretjes en volg mij!

Even later...

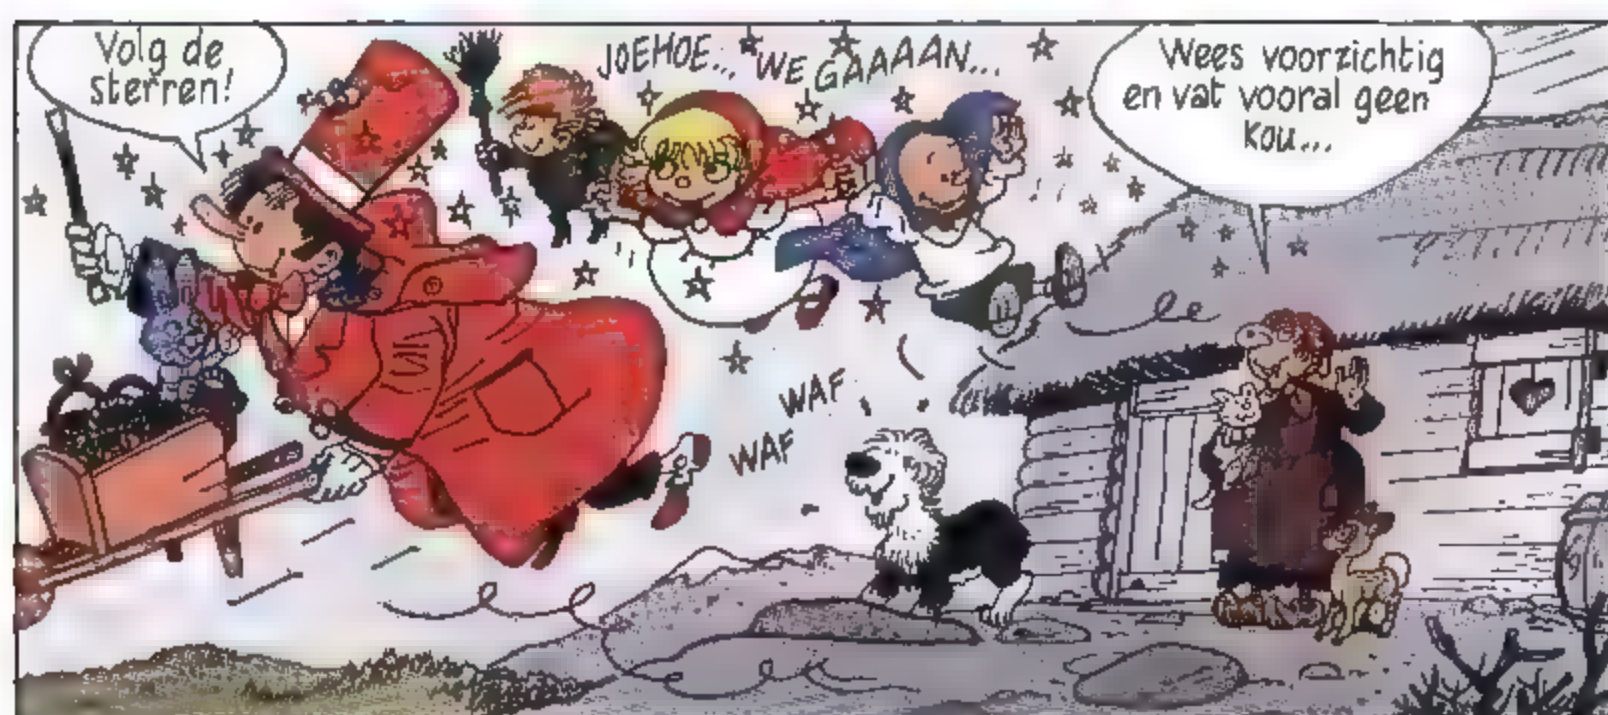

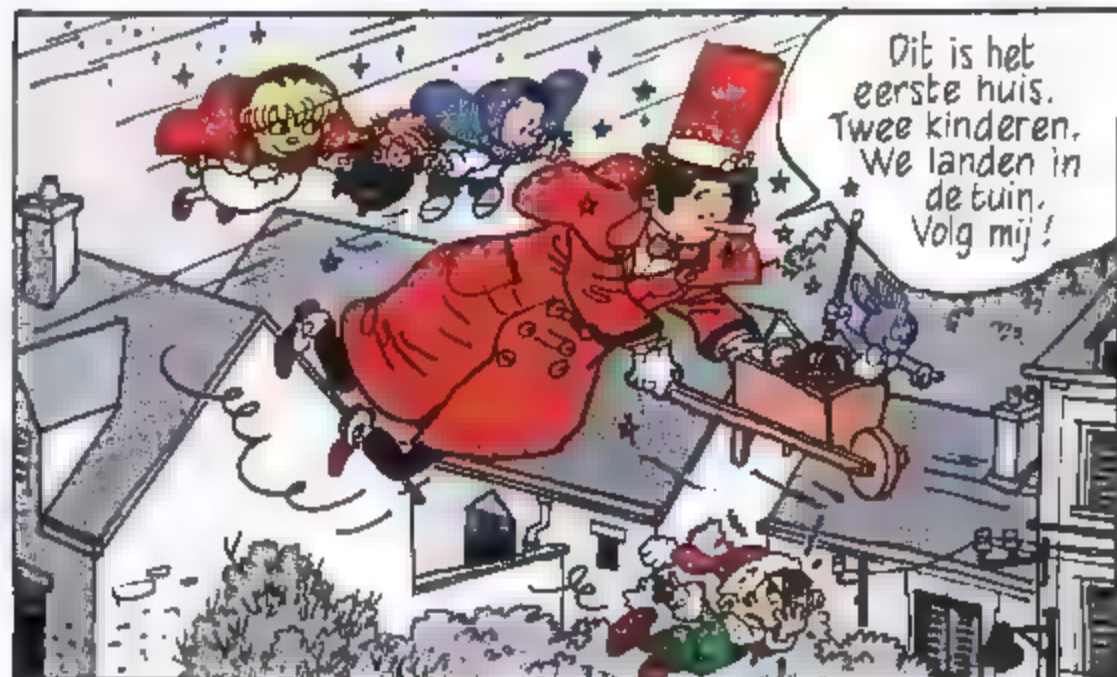

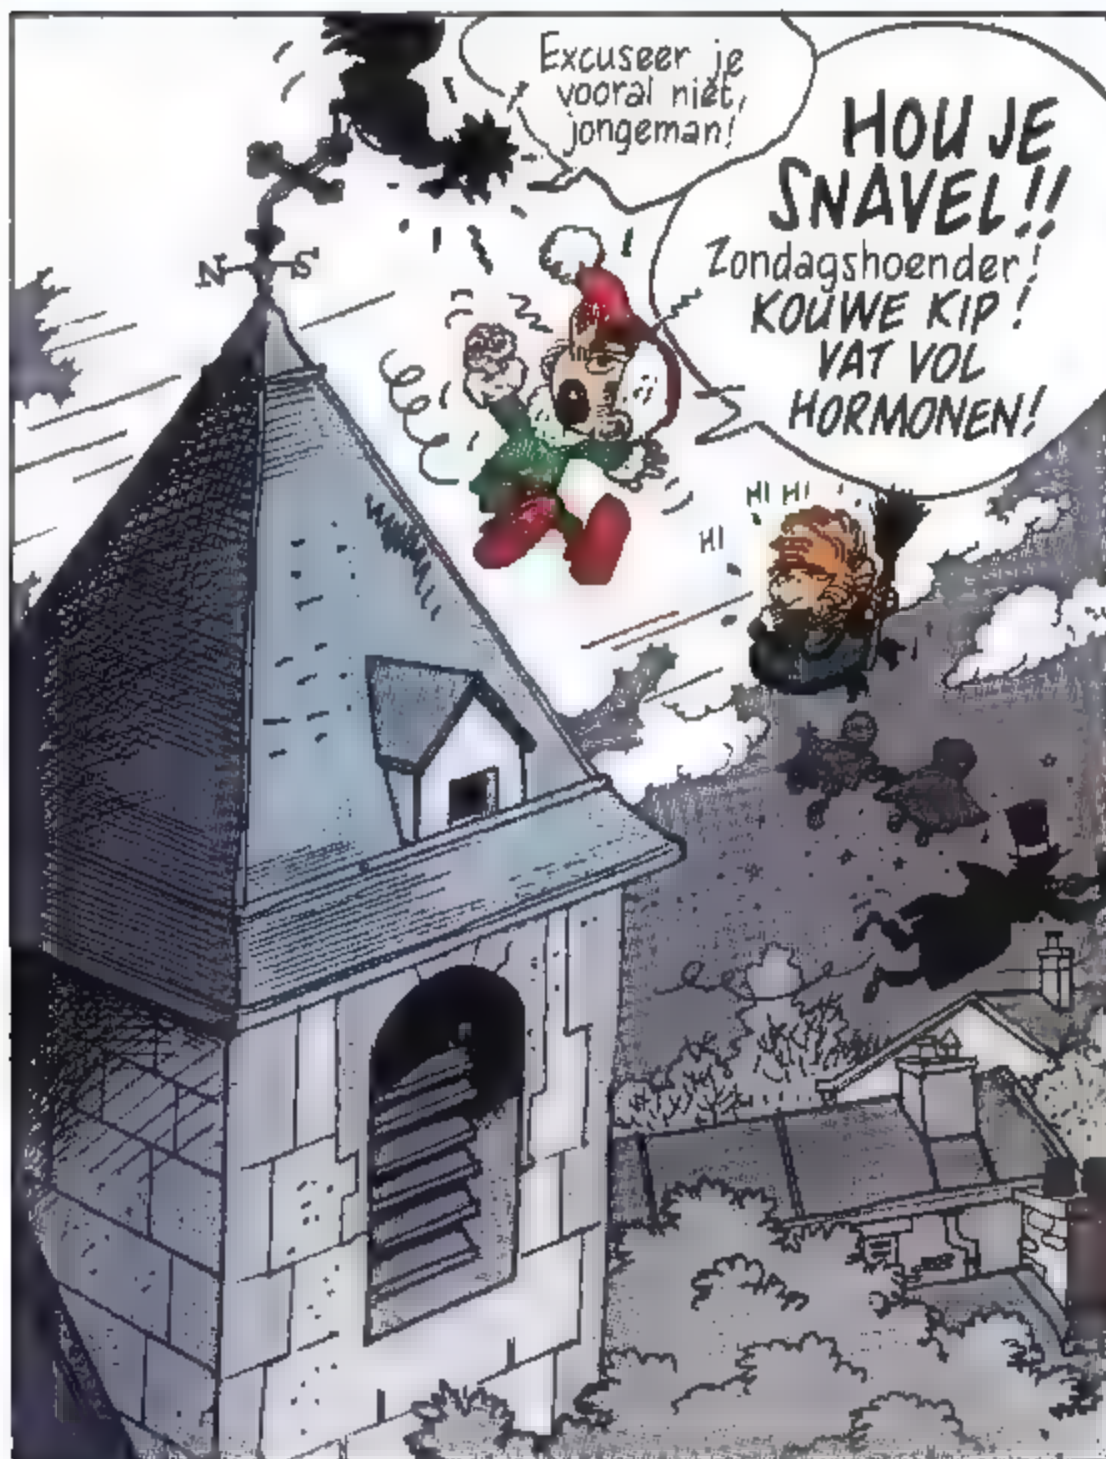

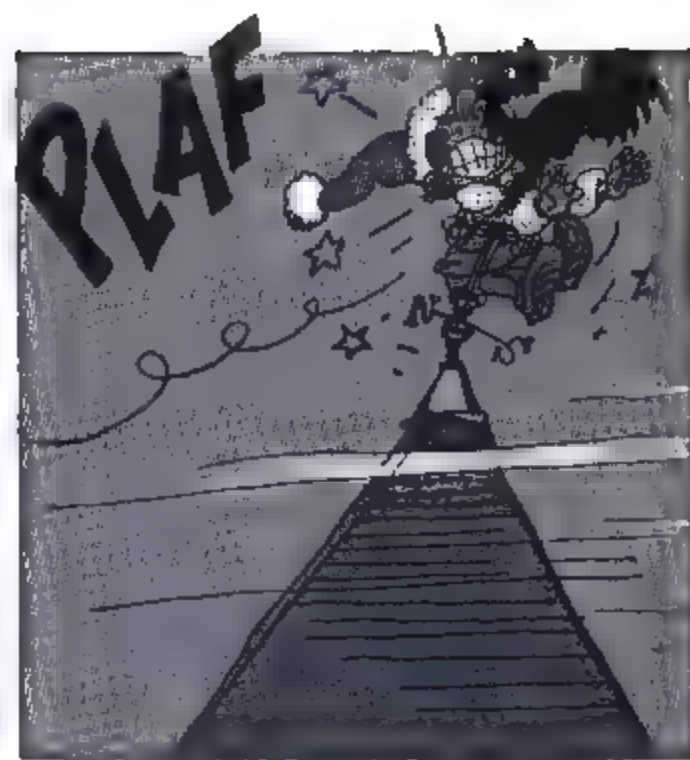

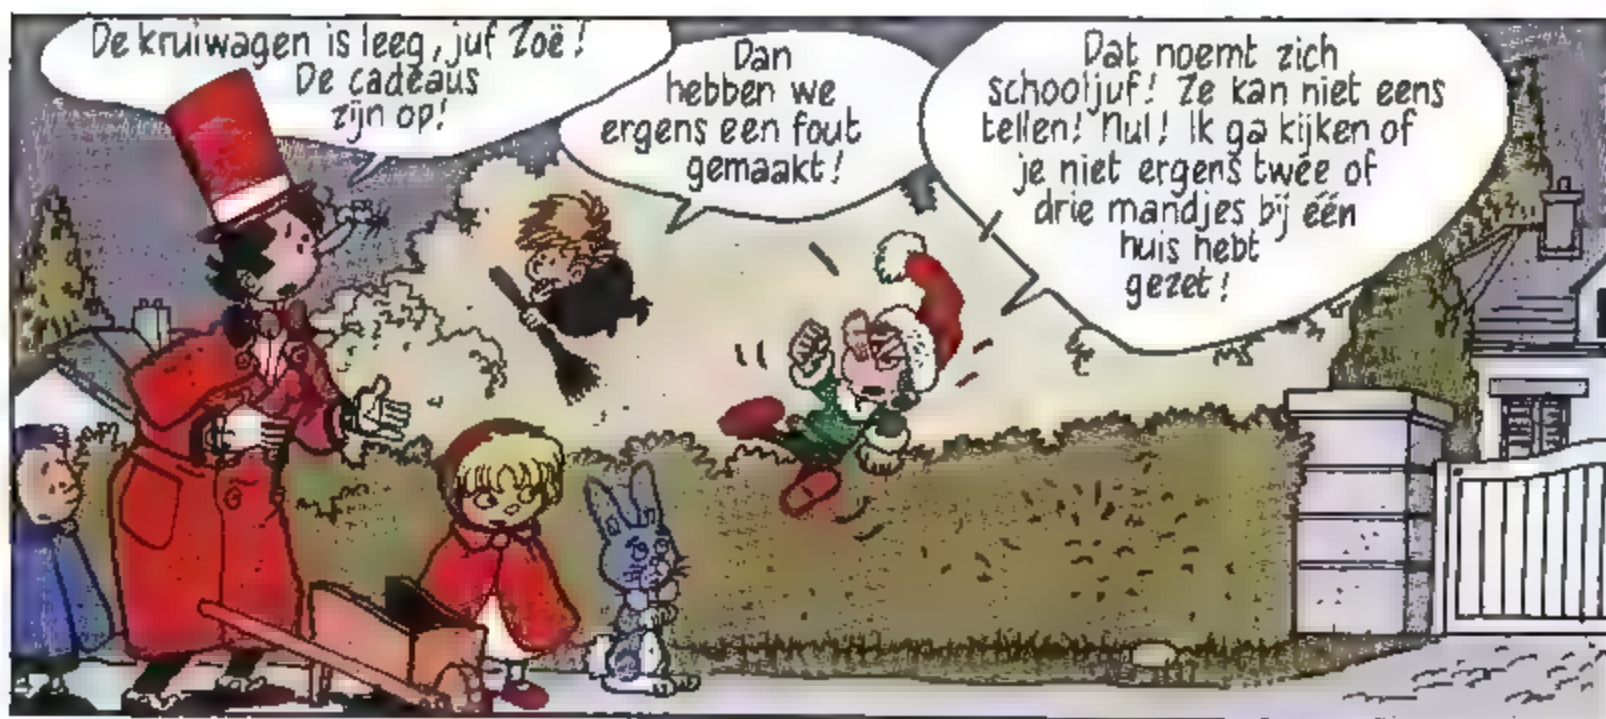

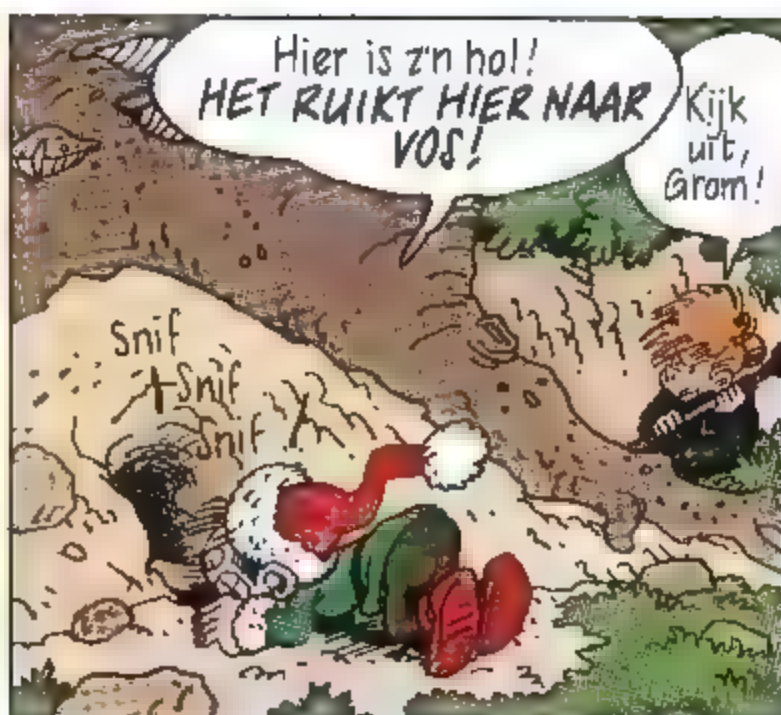

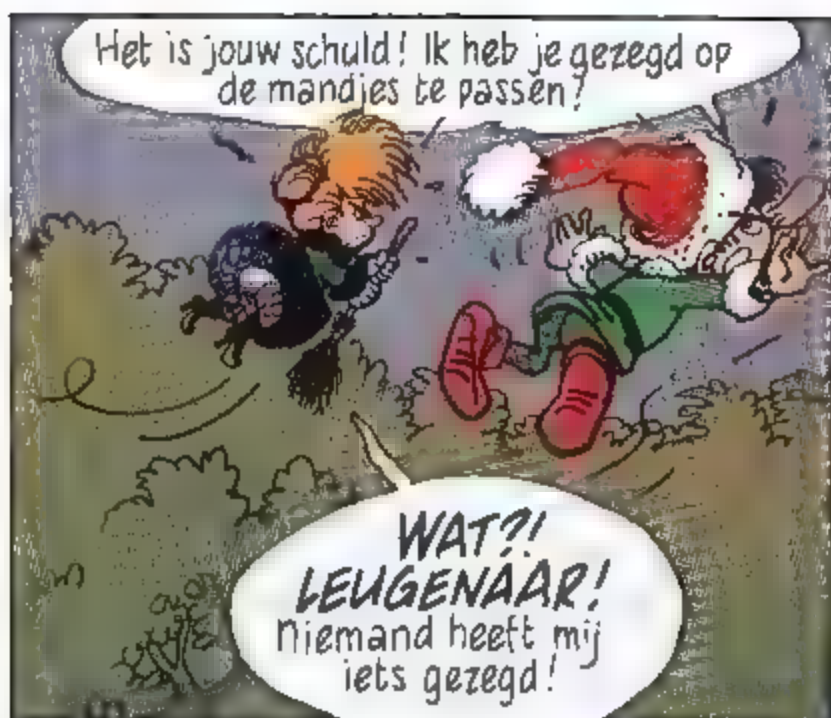

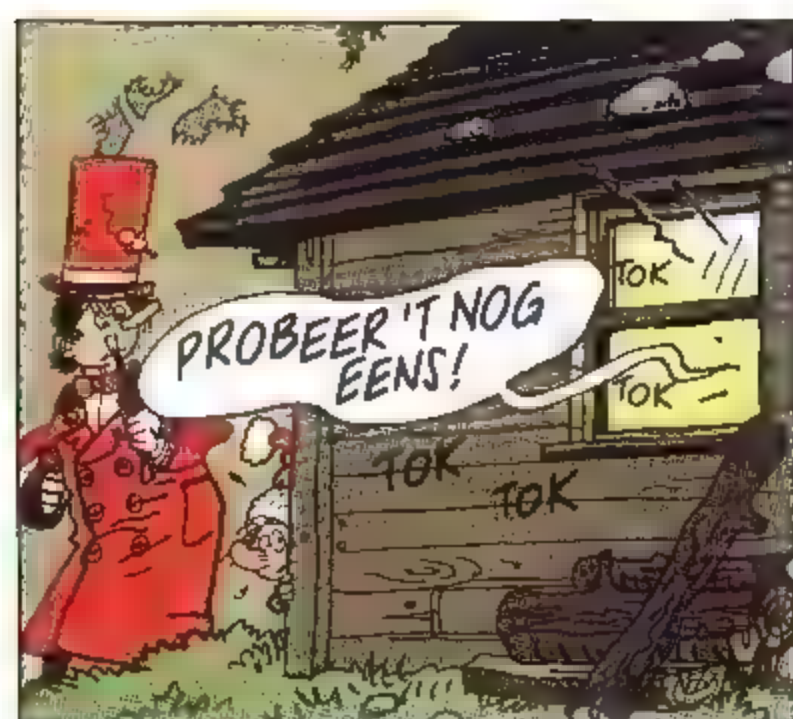

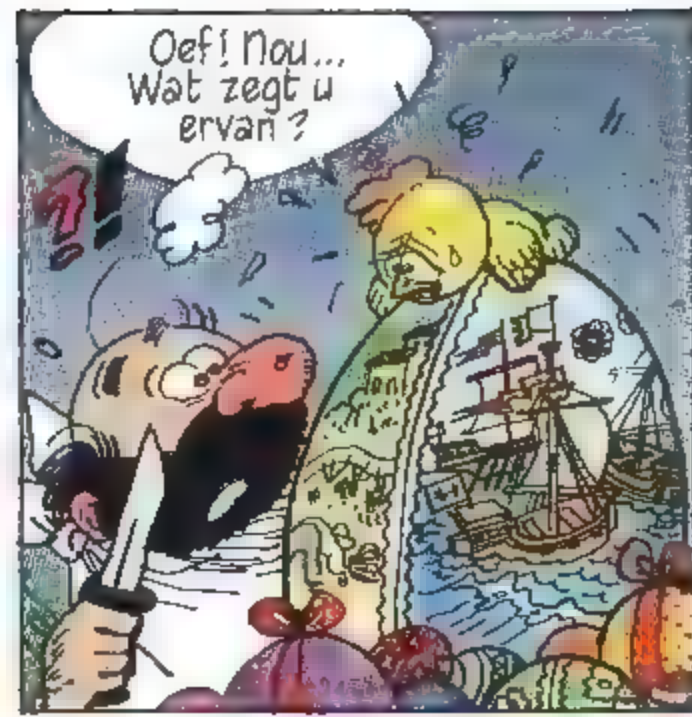

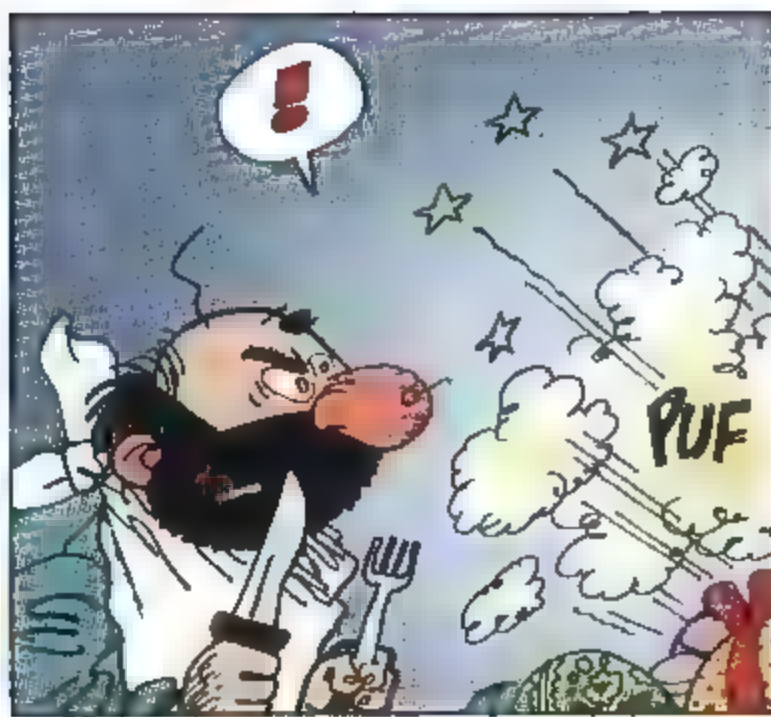

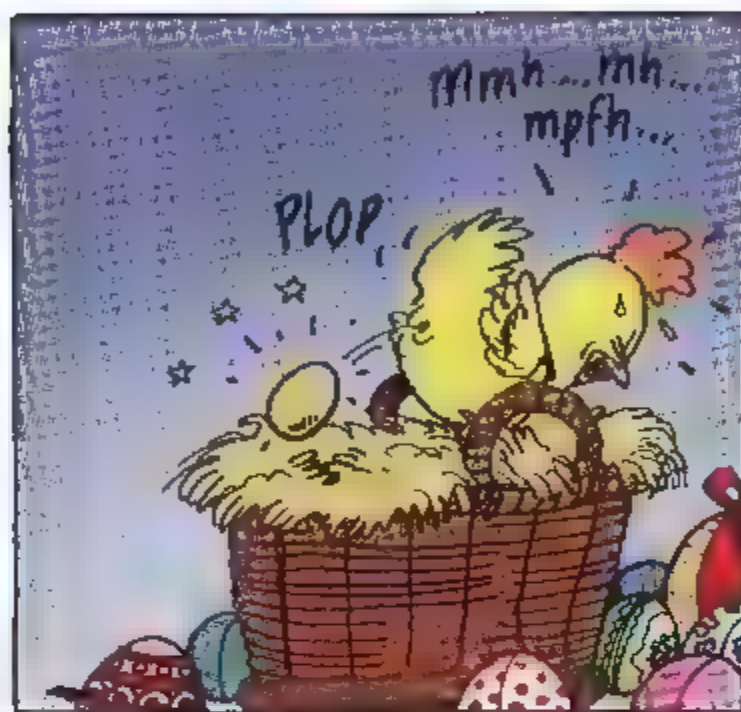

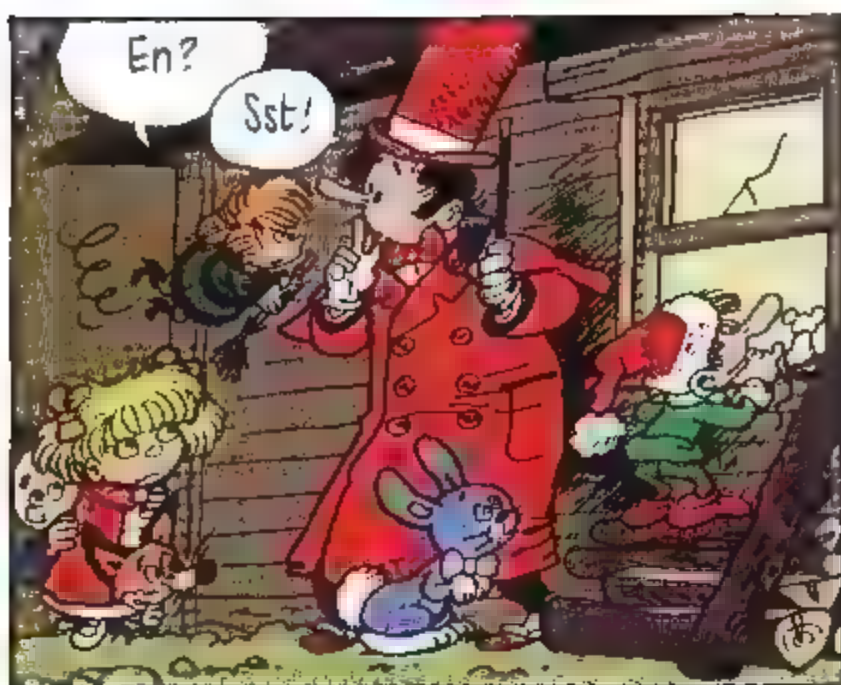

Even later...

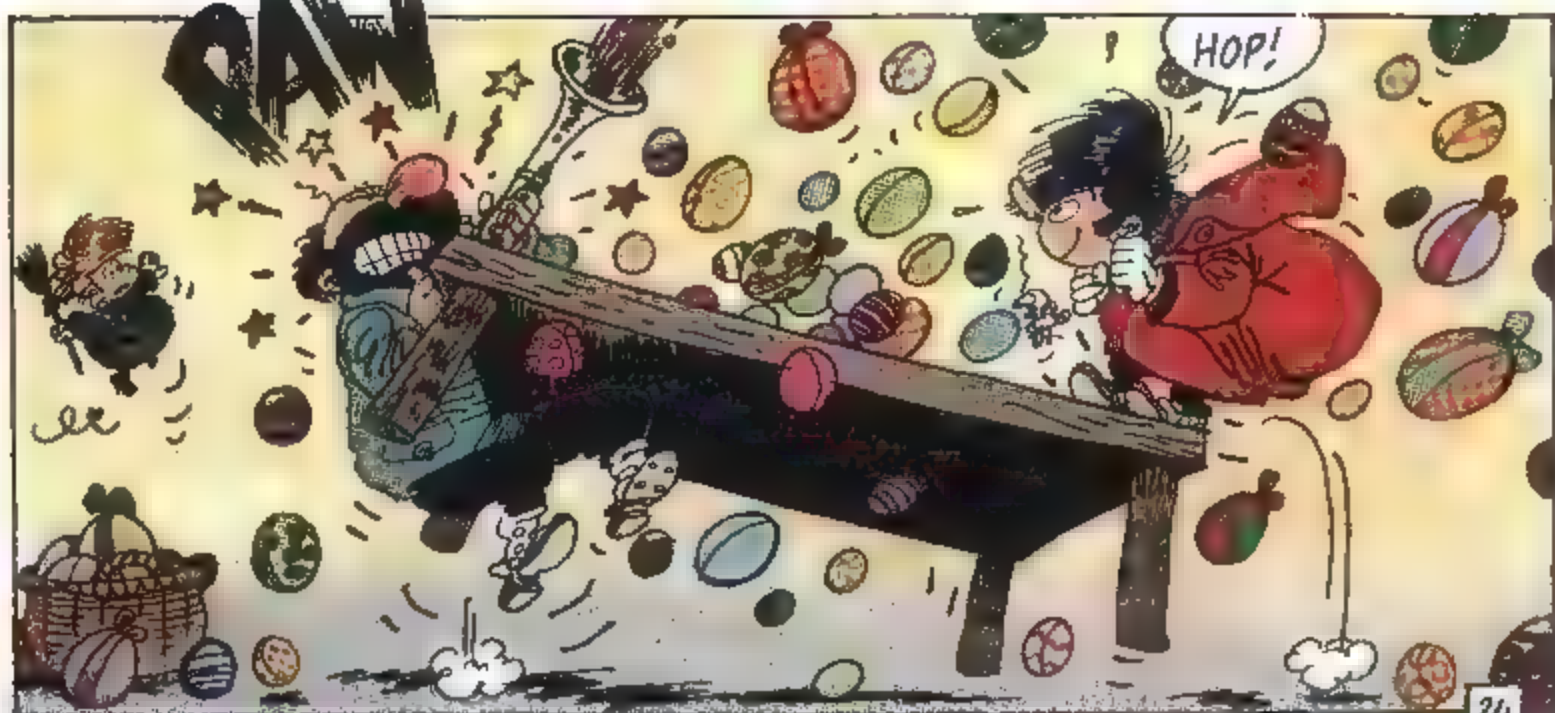

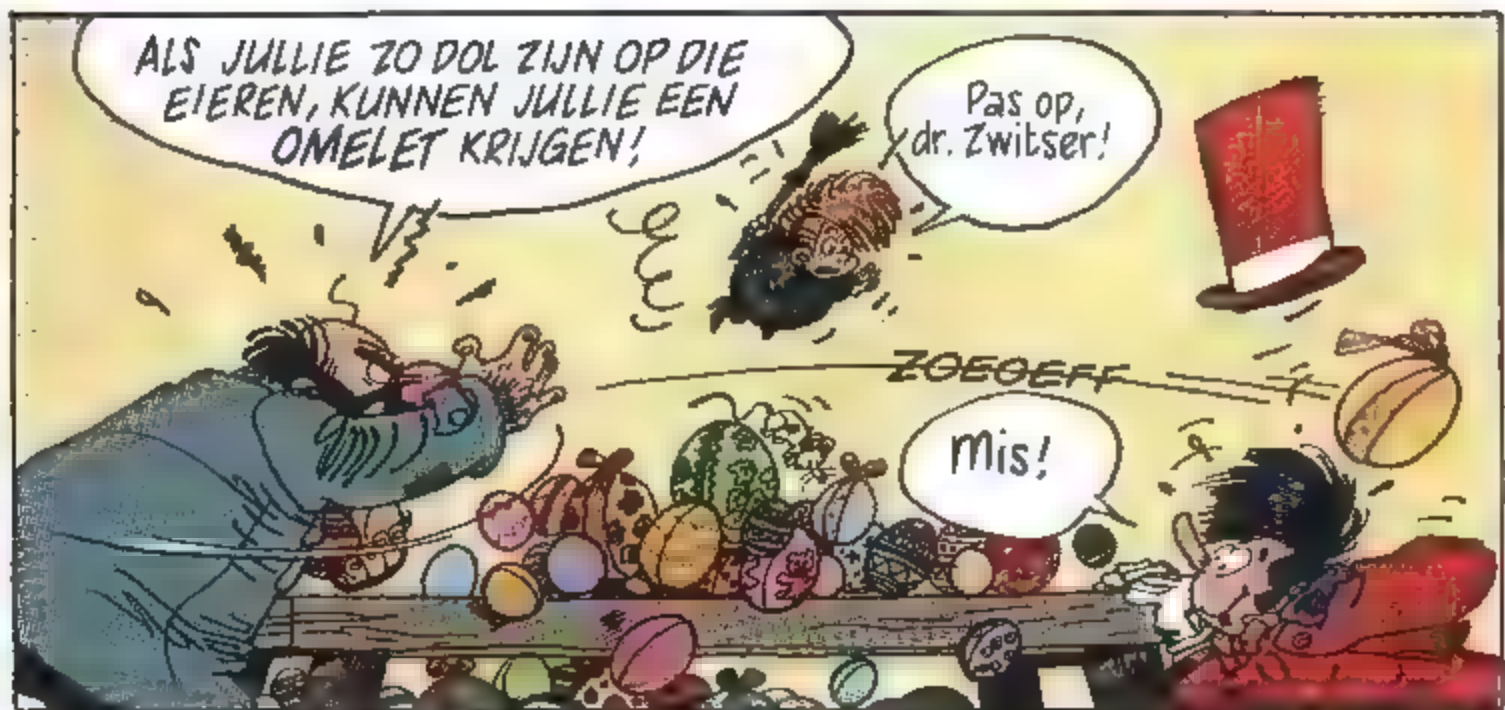

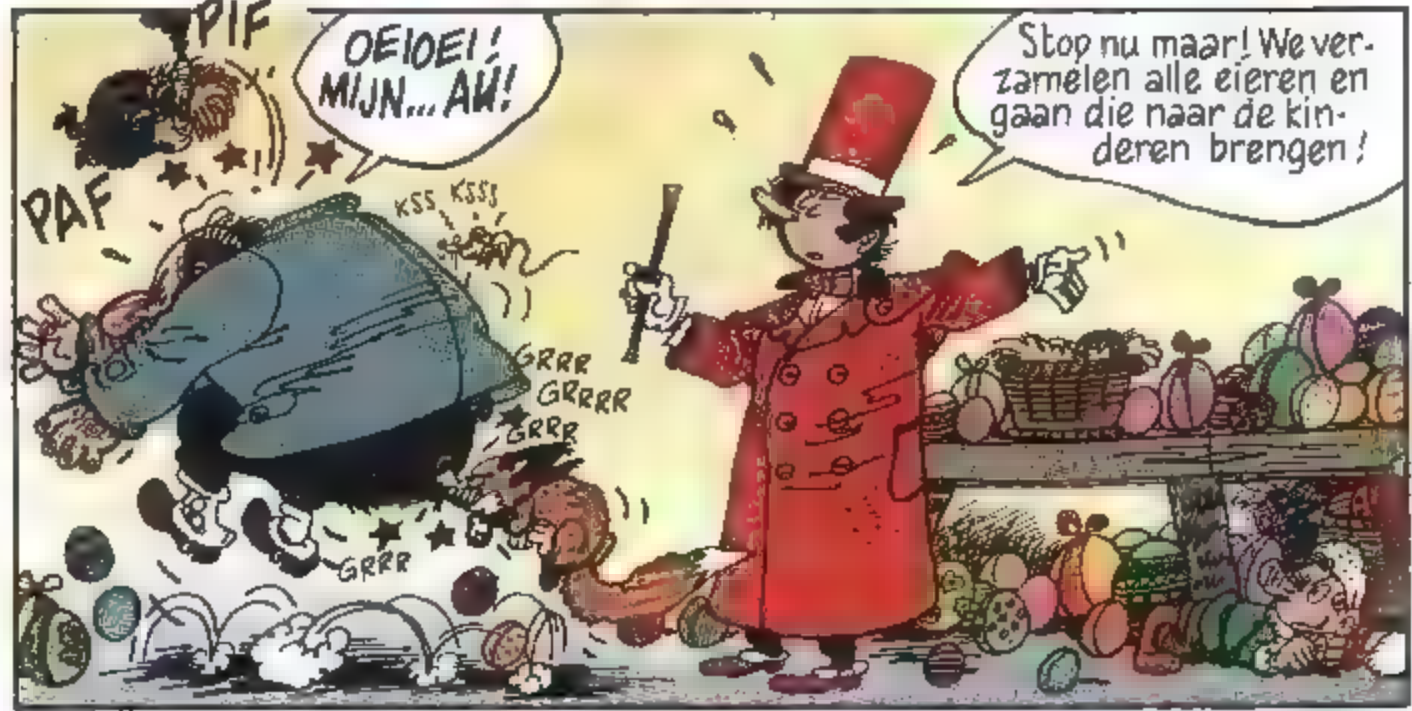

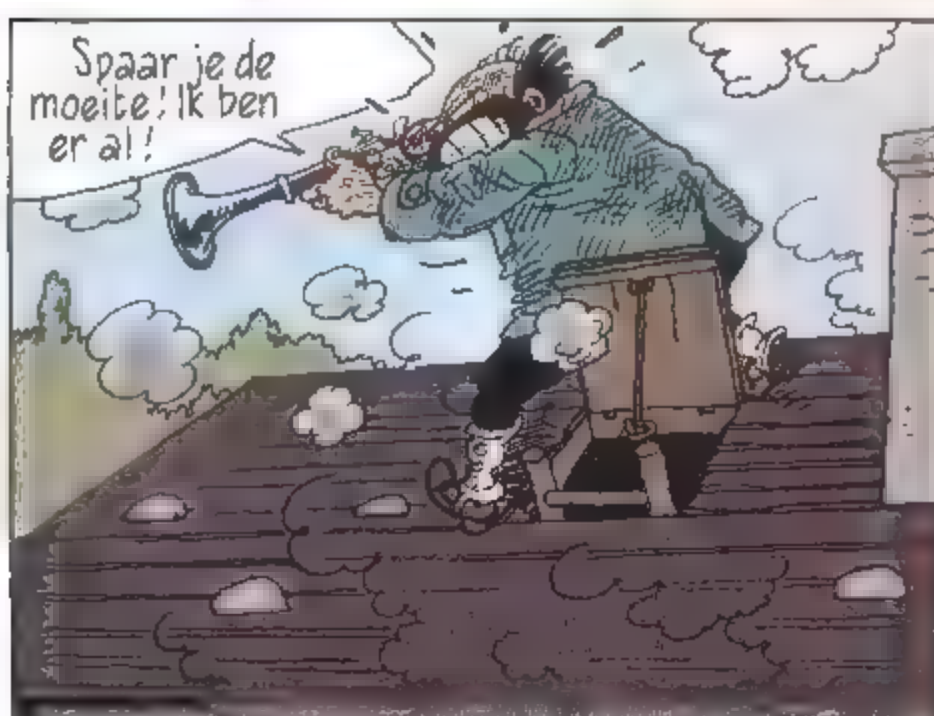

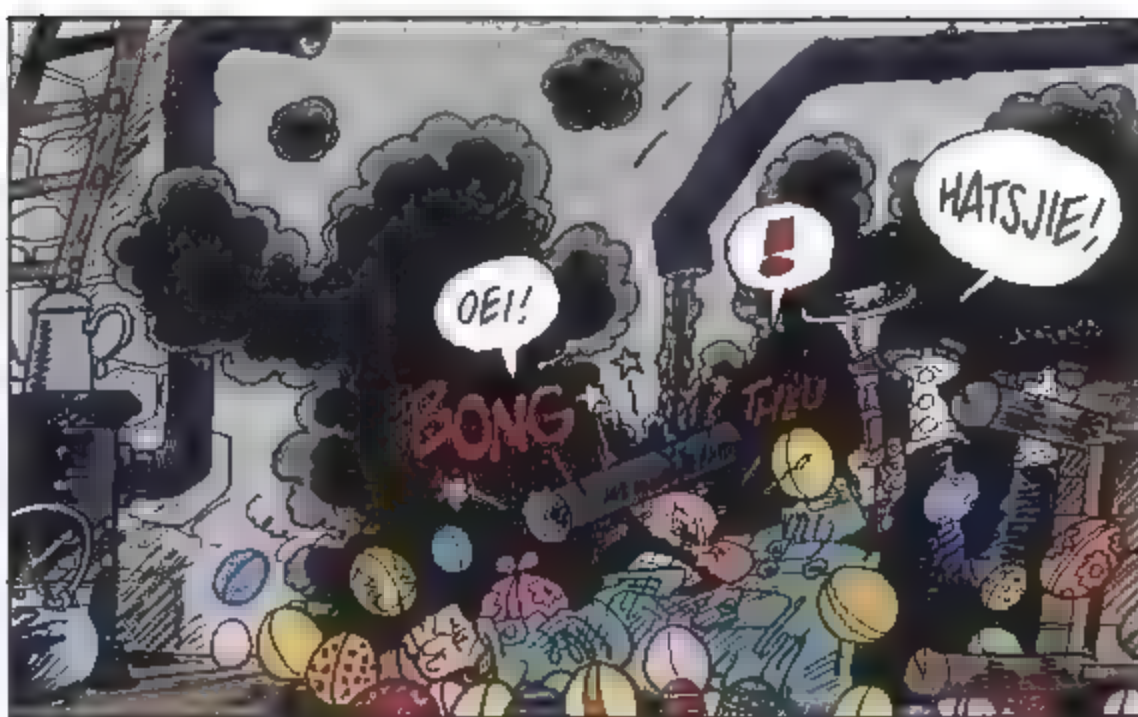

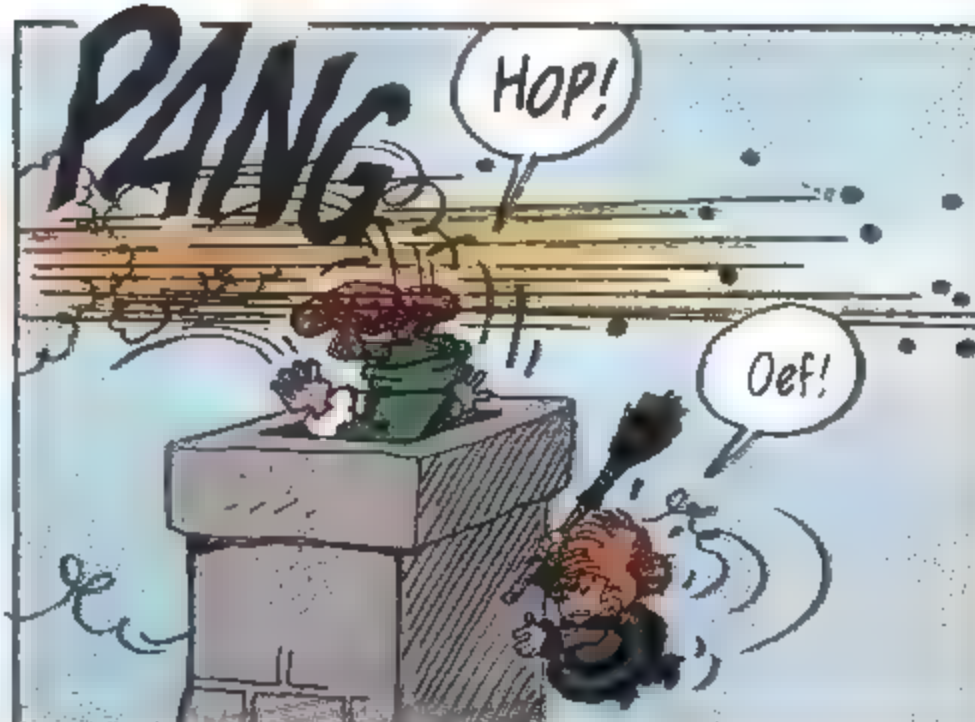

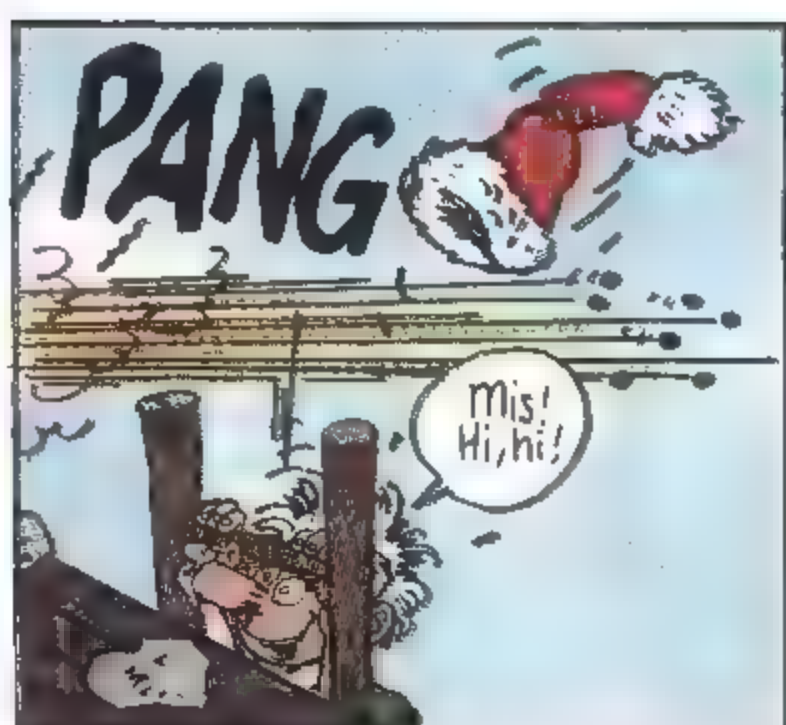

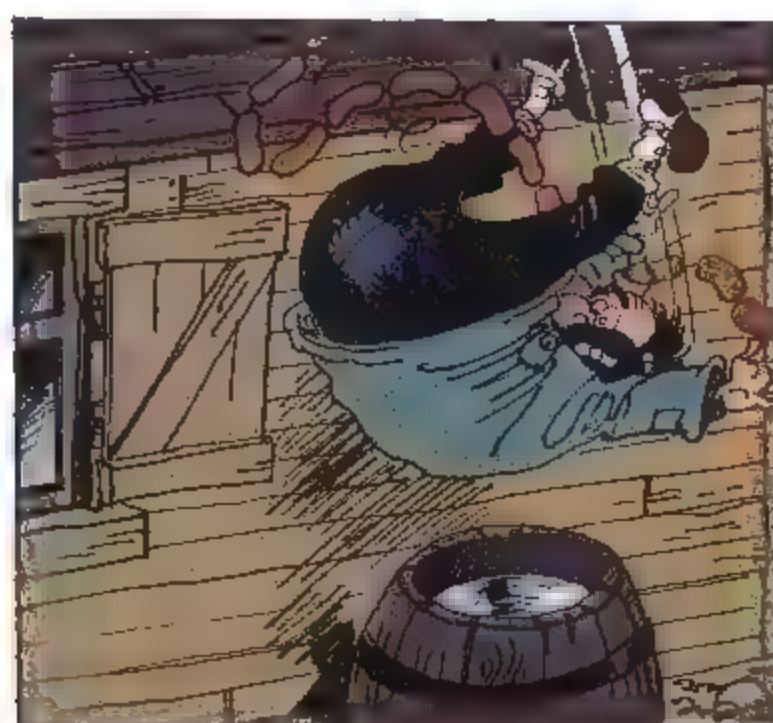

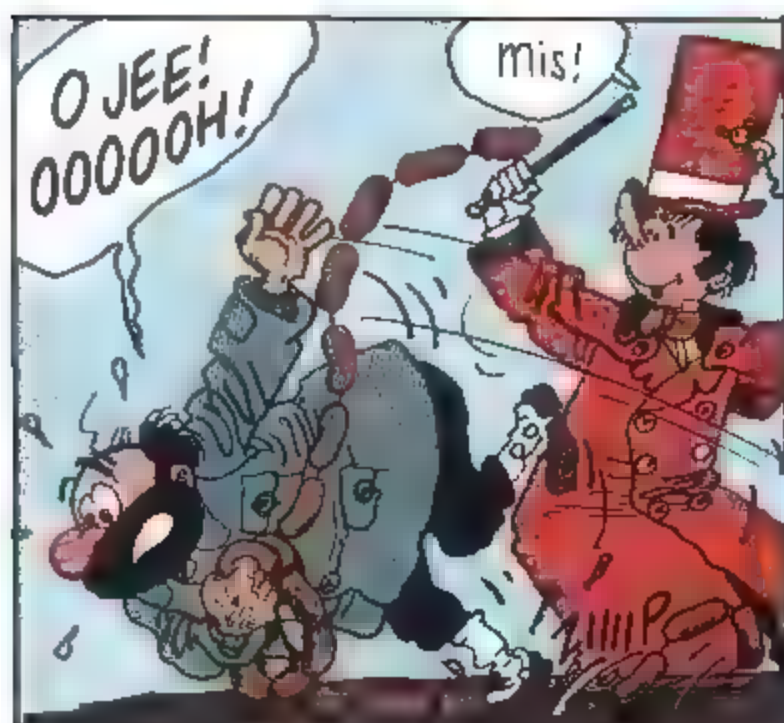

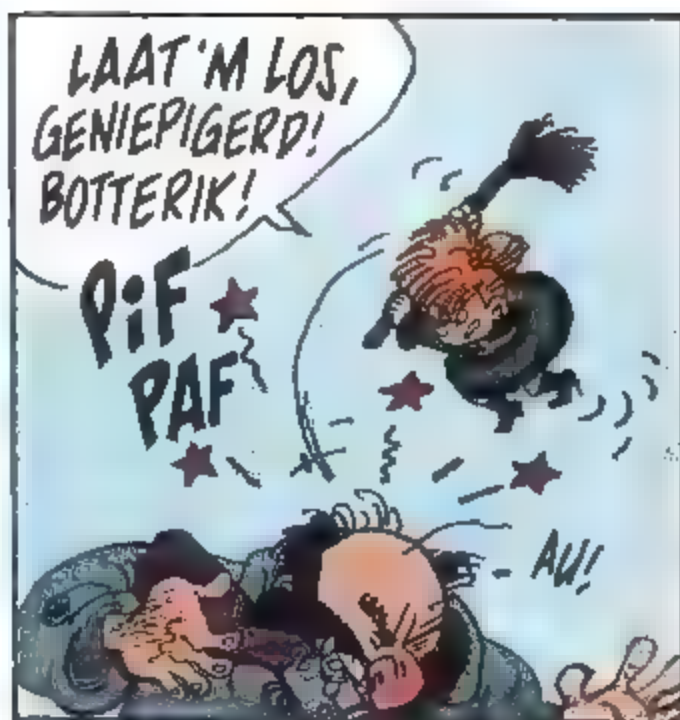

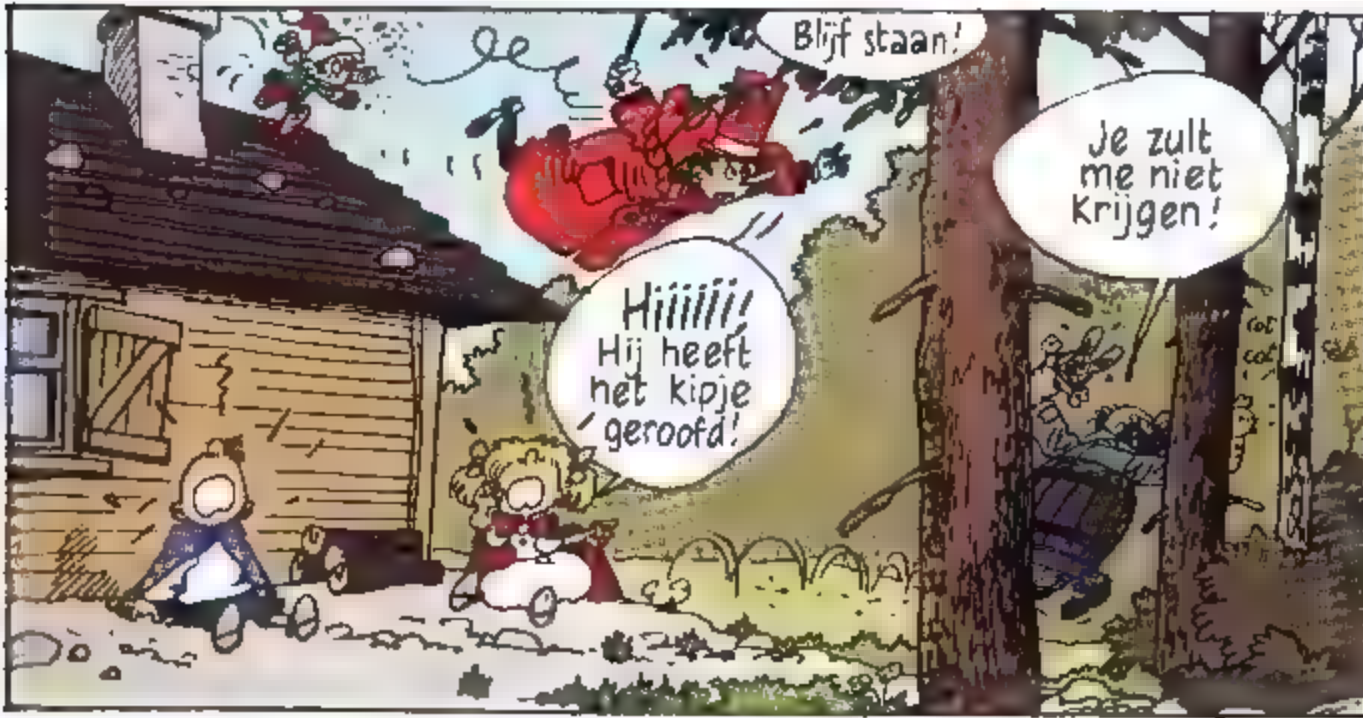

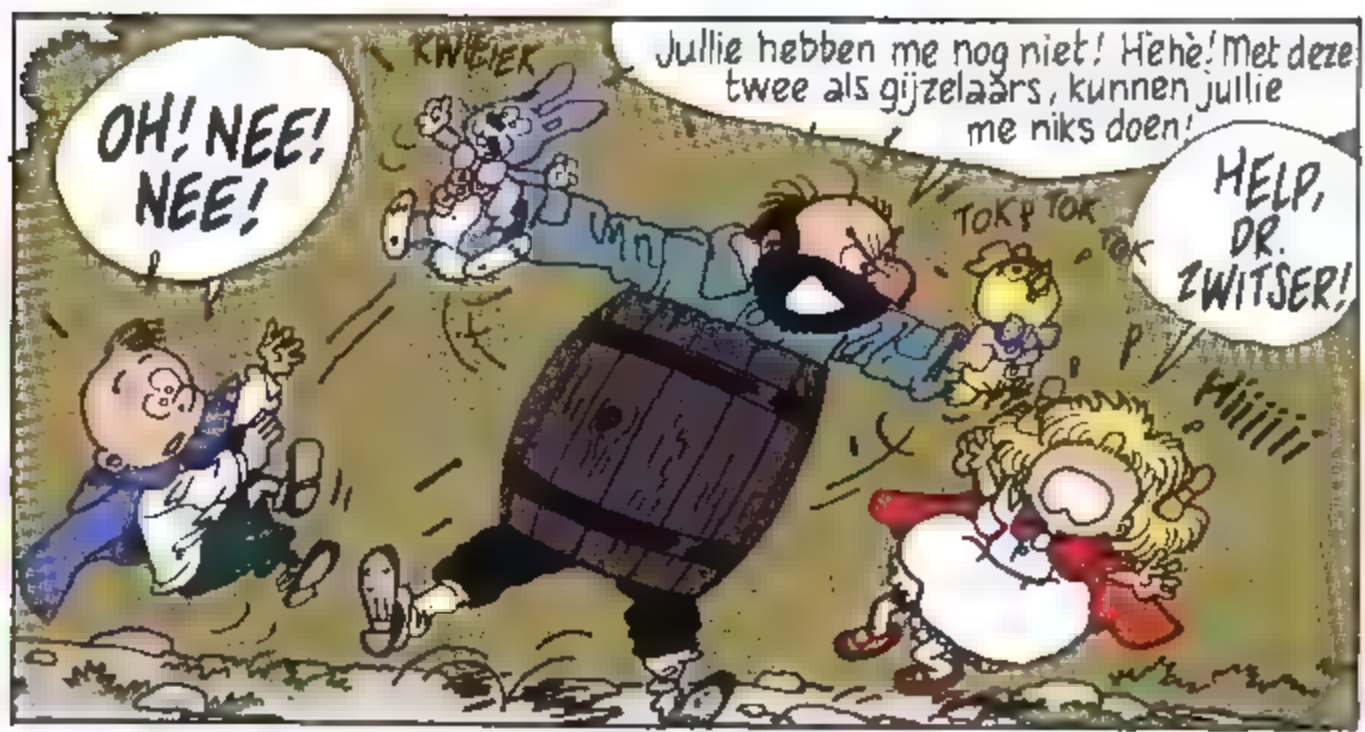

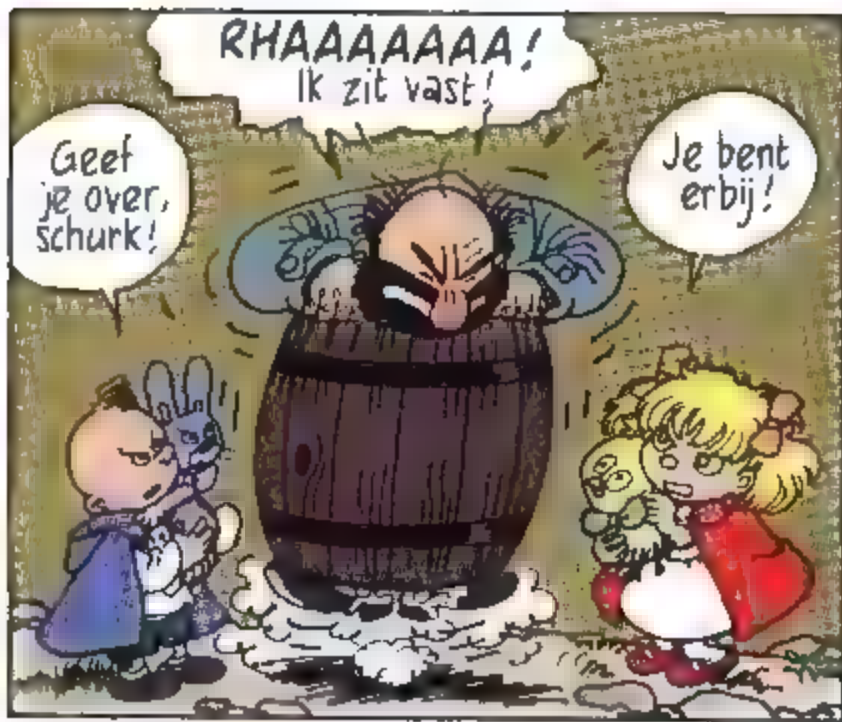

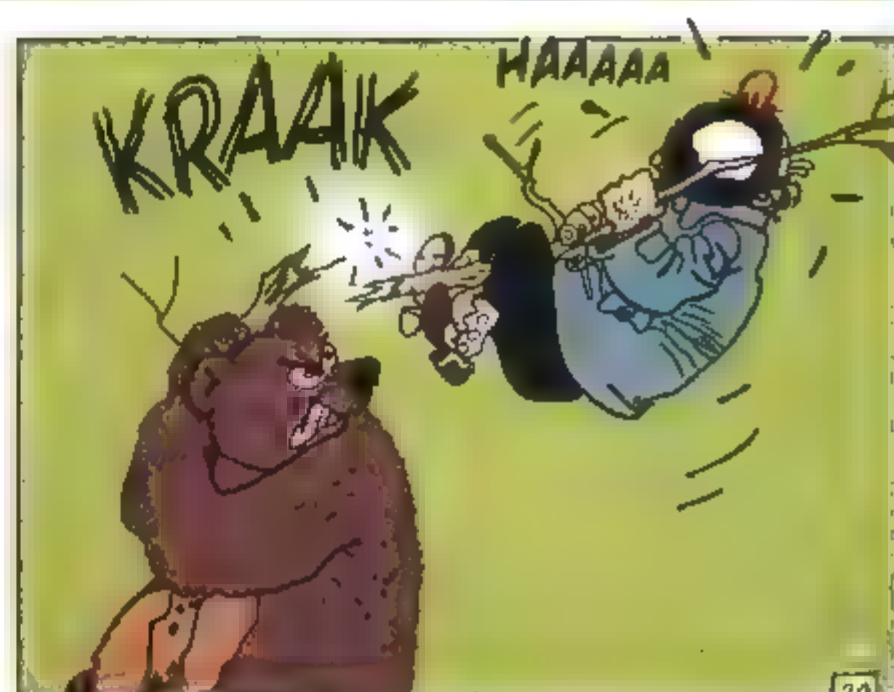

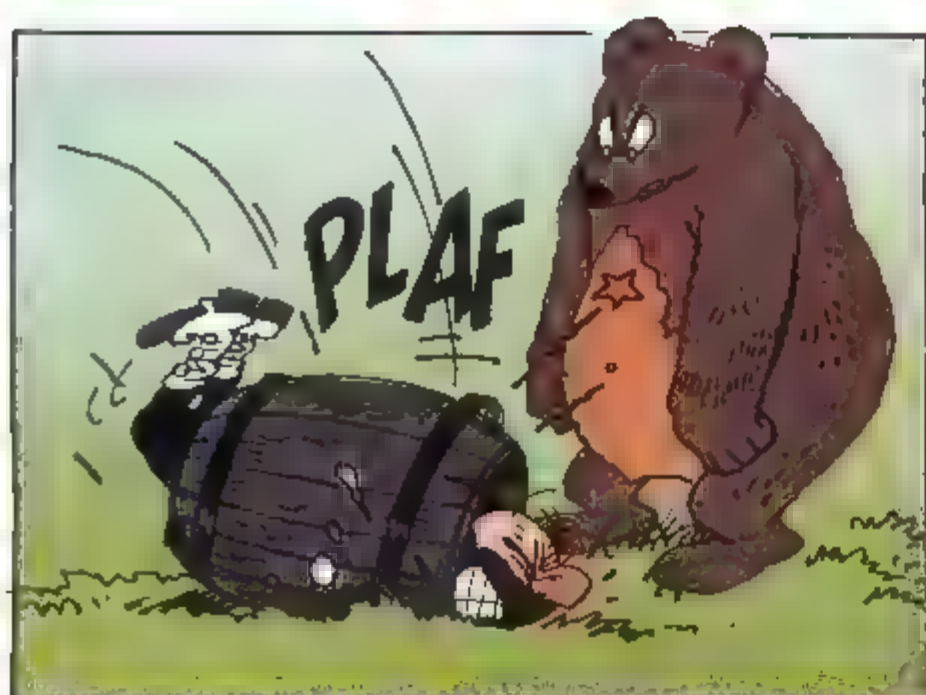

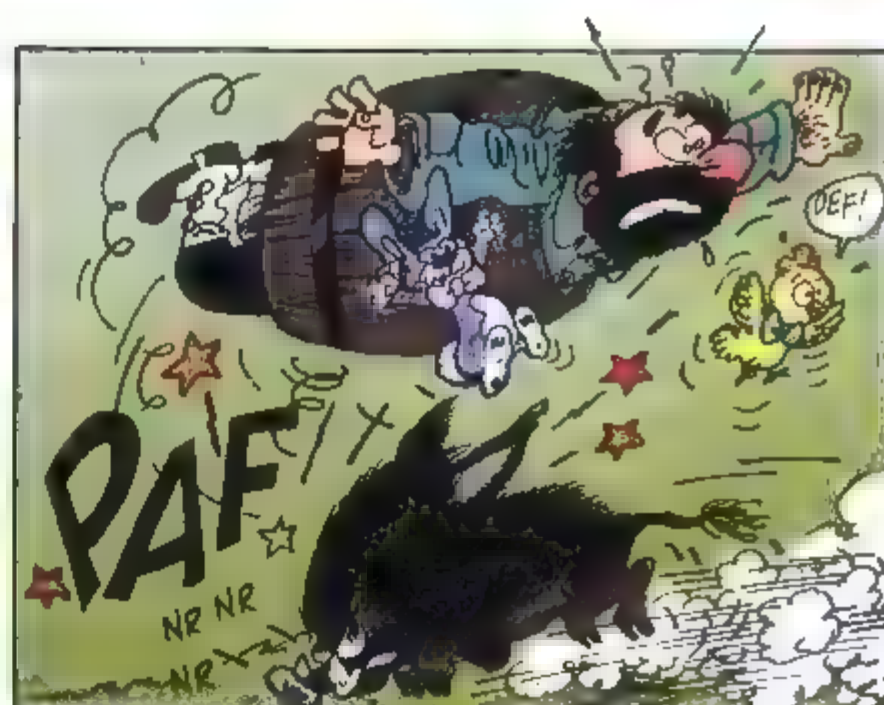

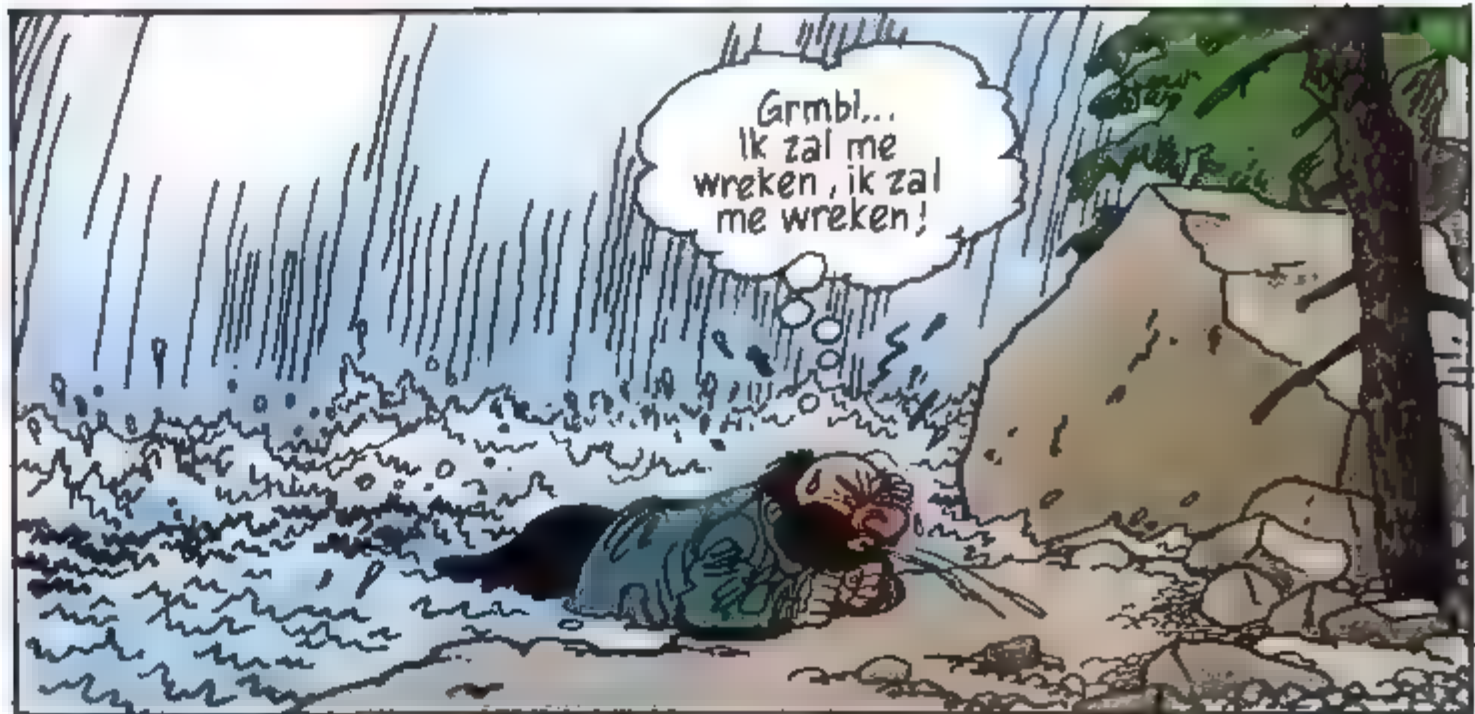

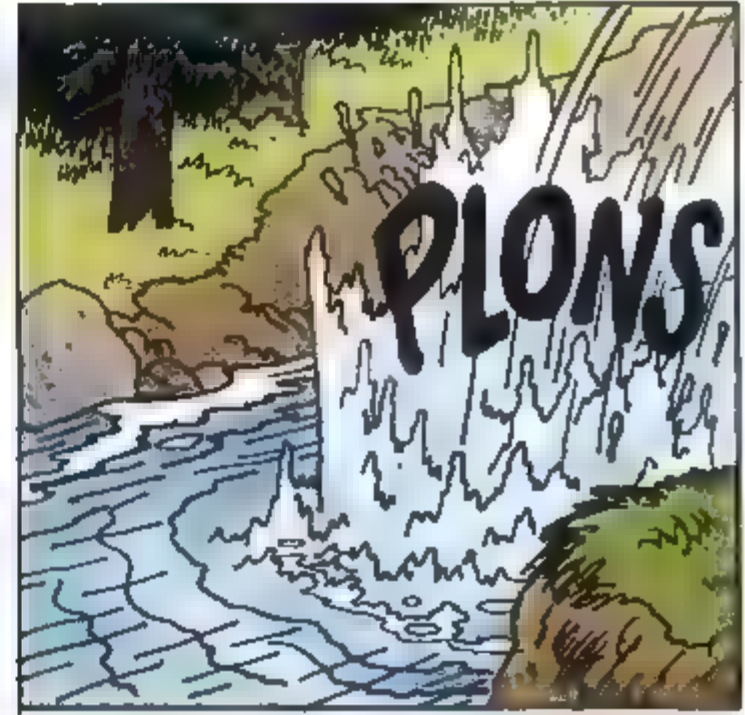

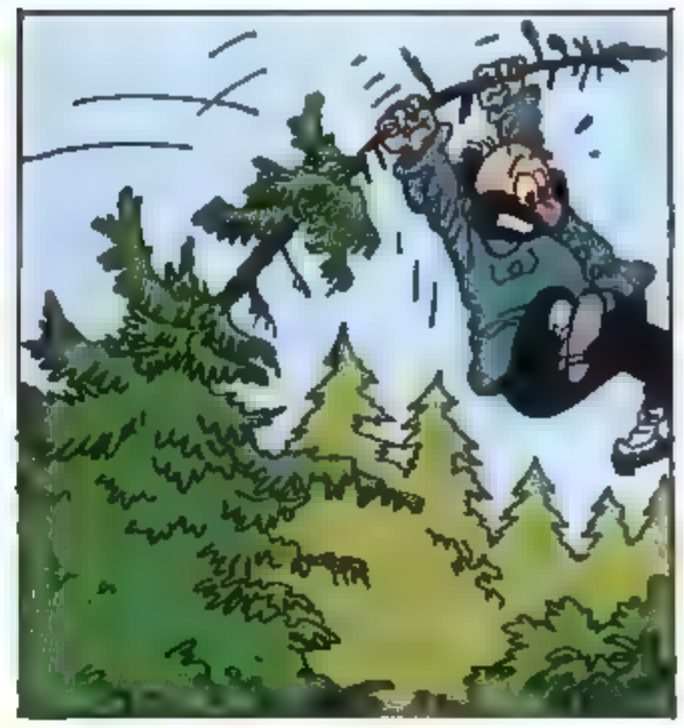

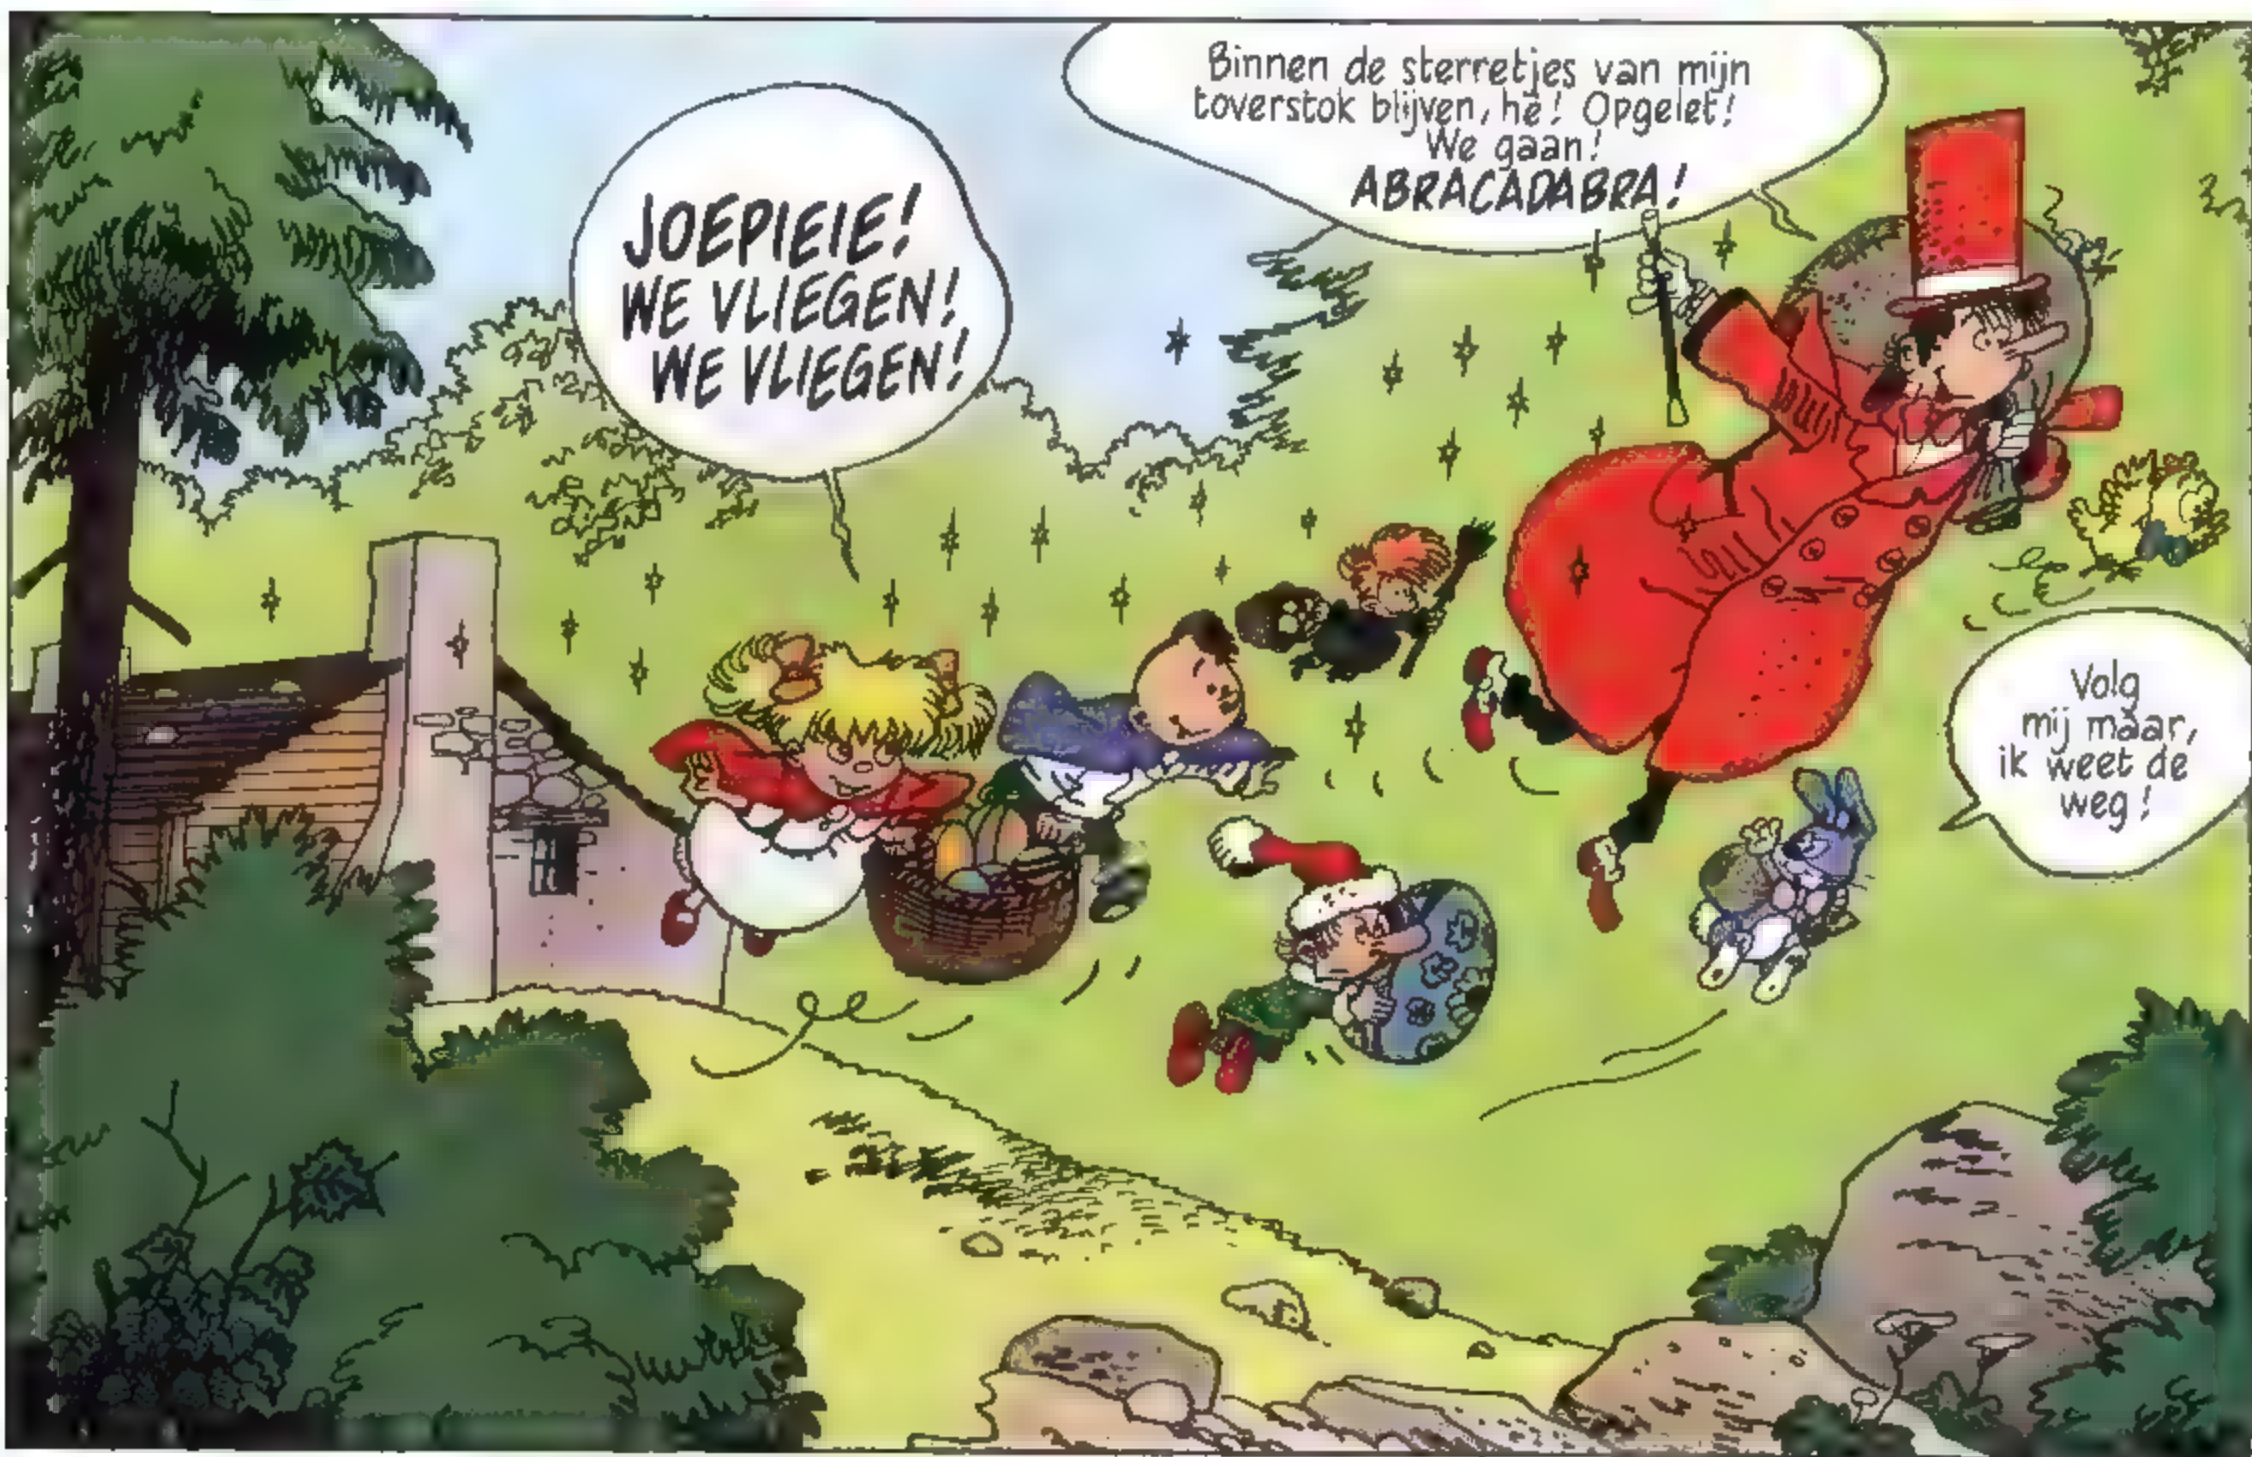

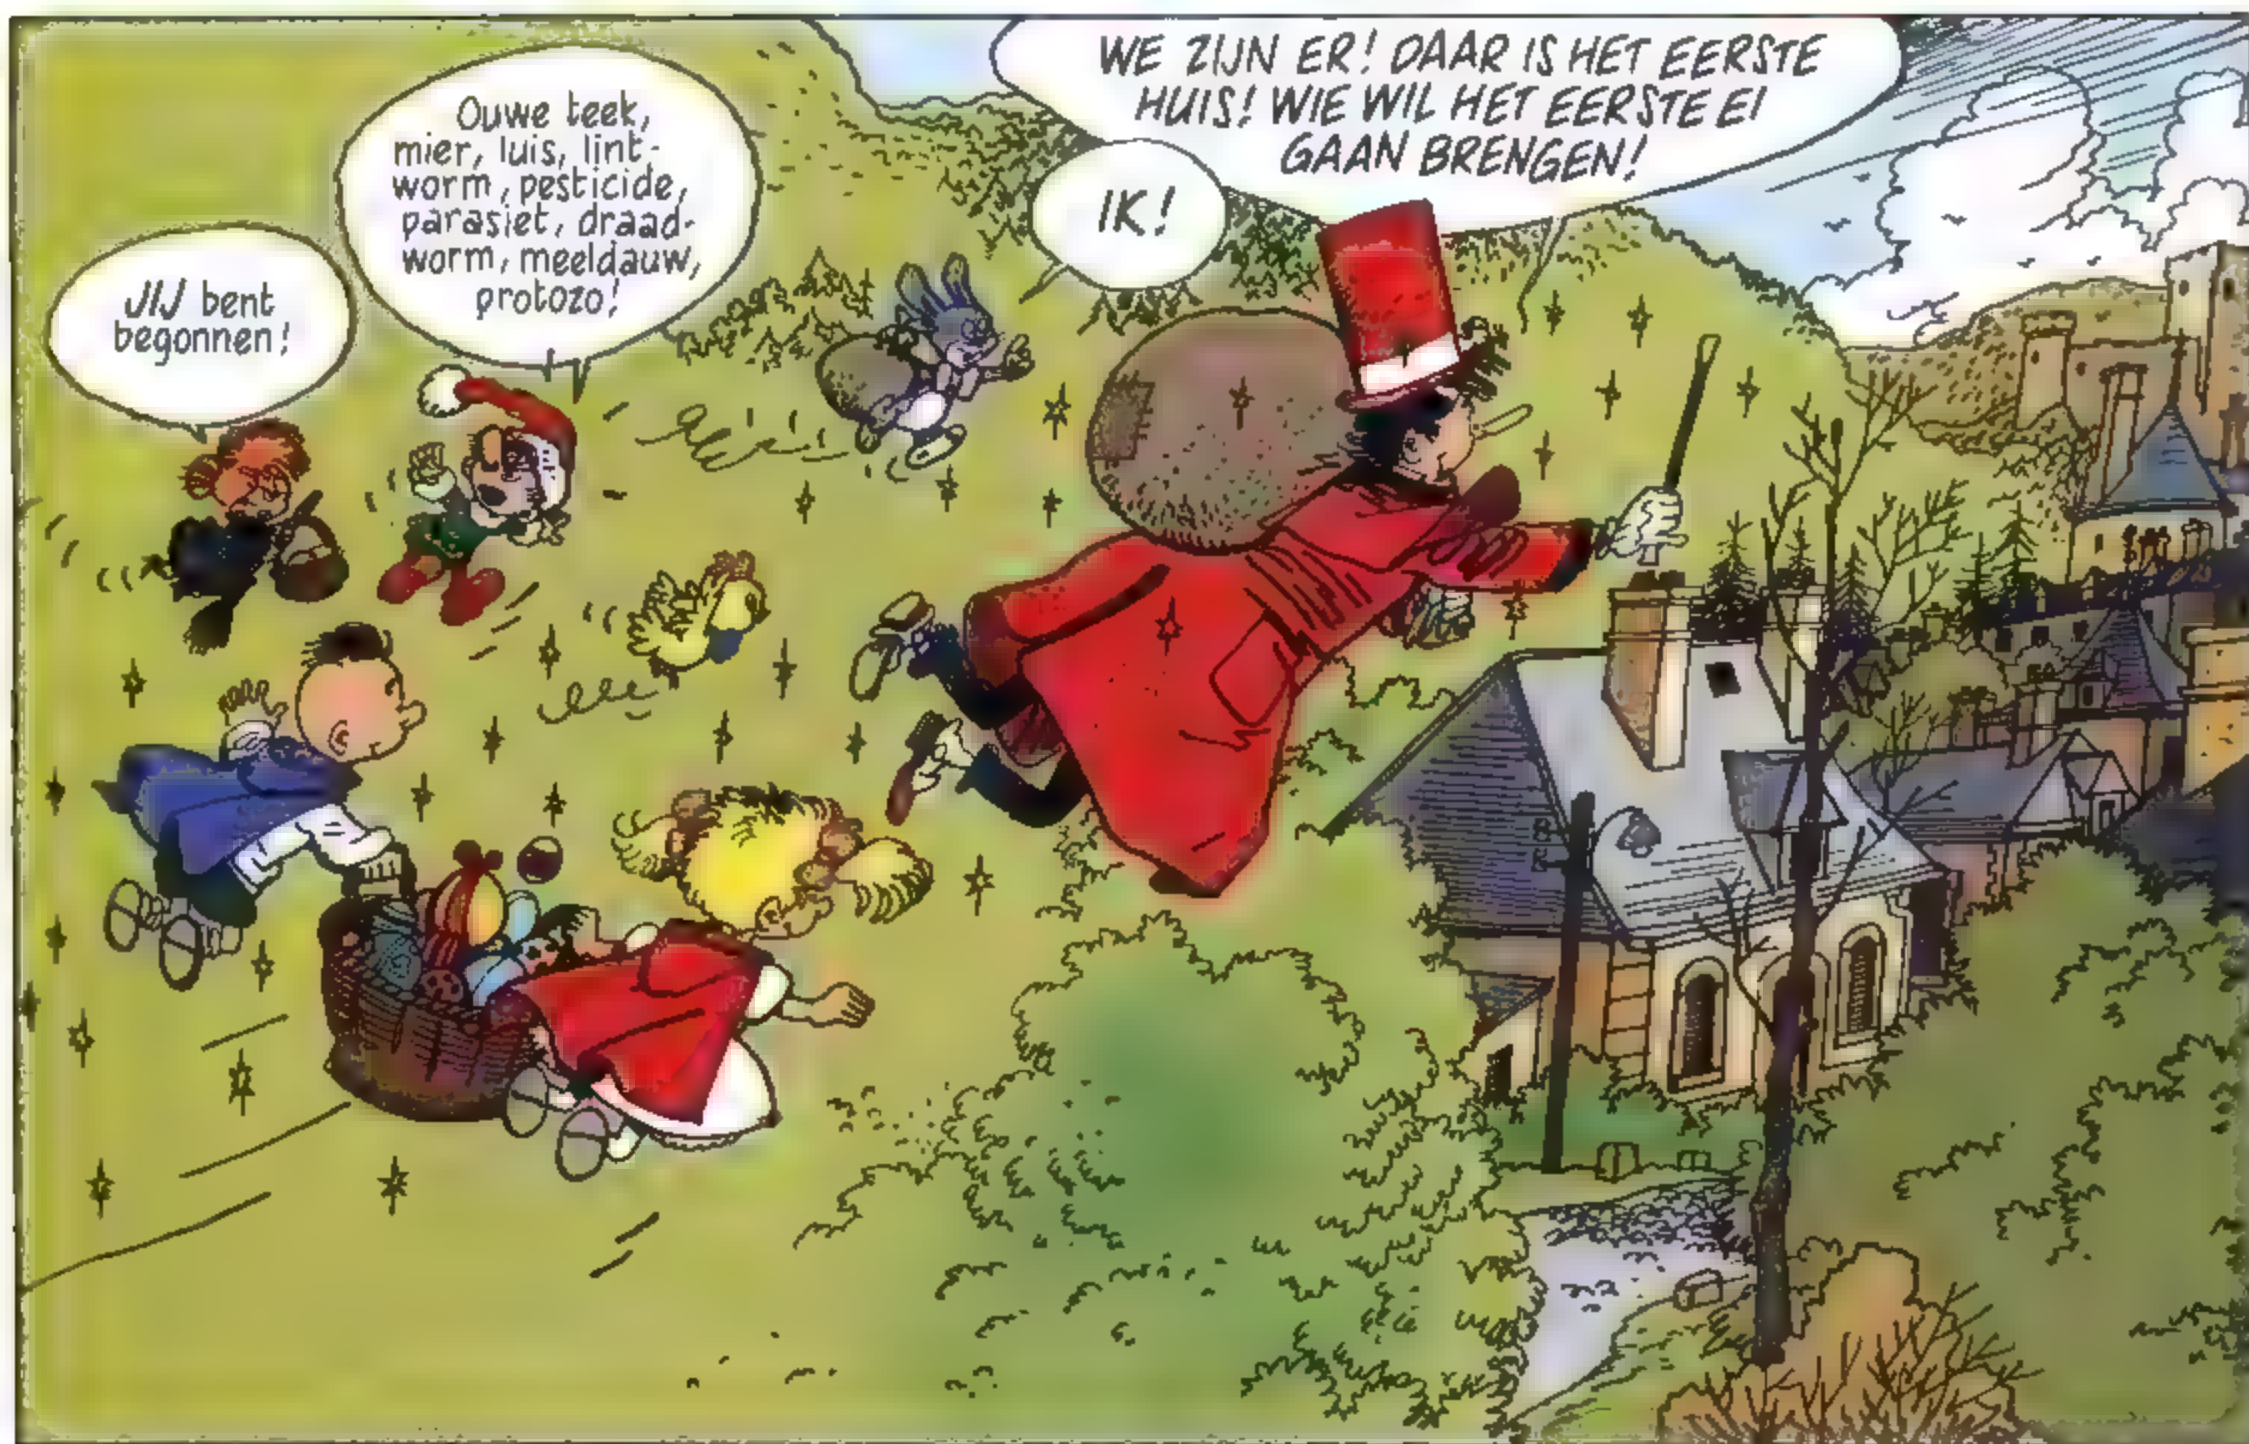

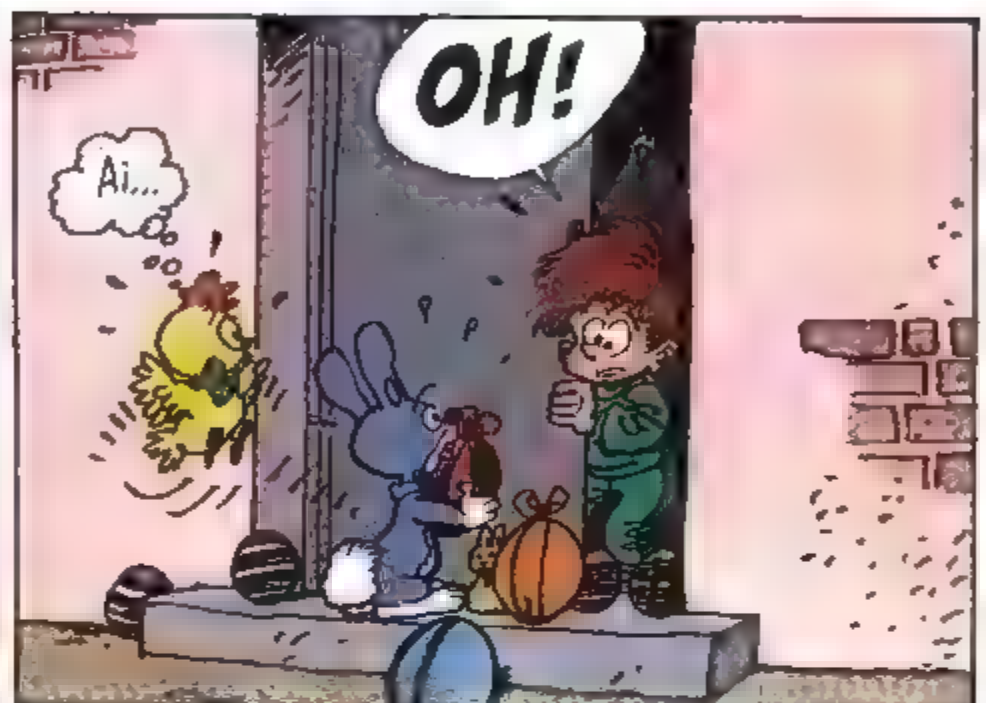

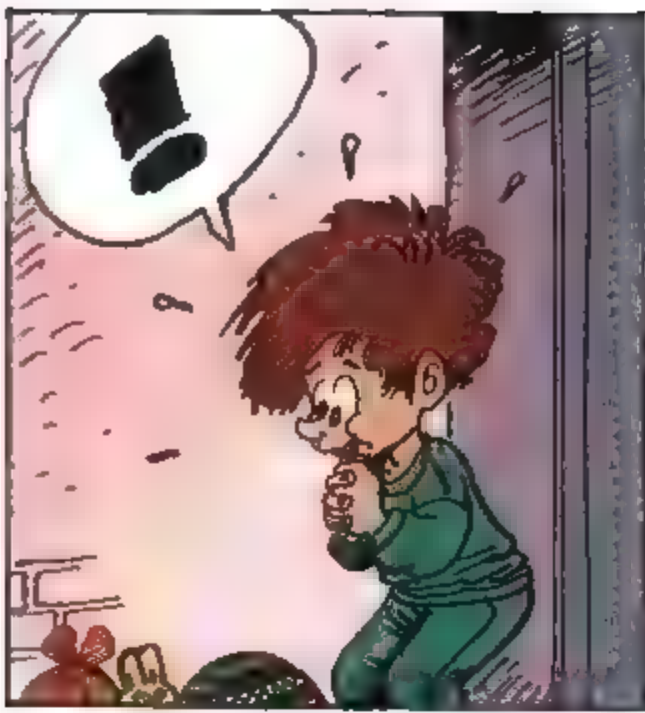

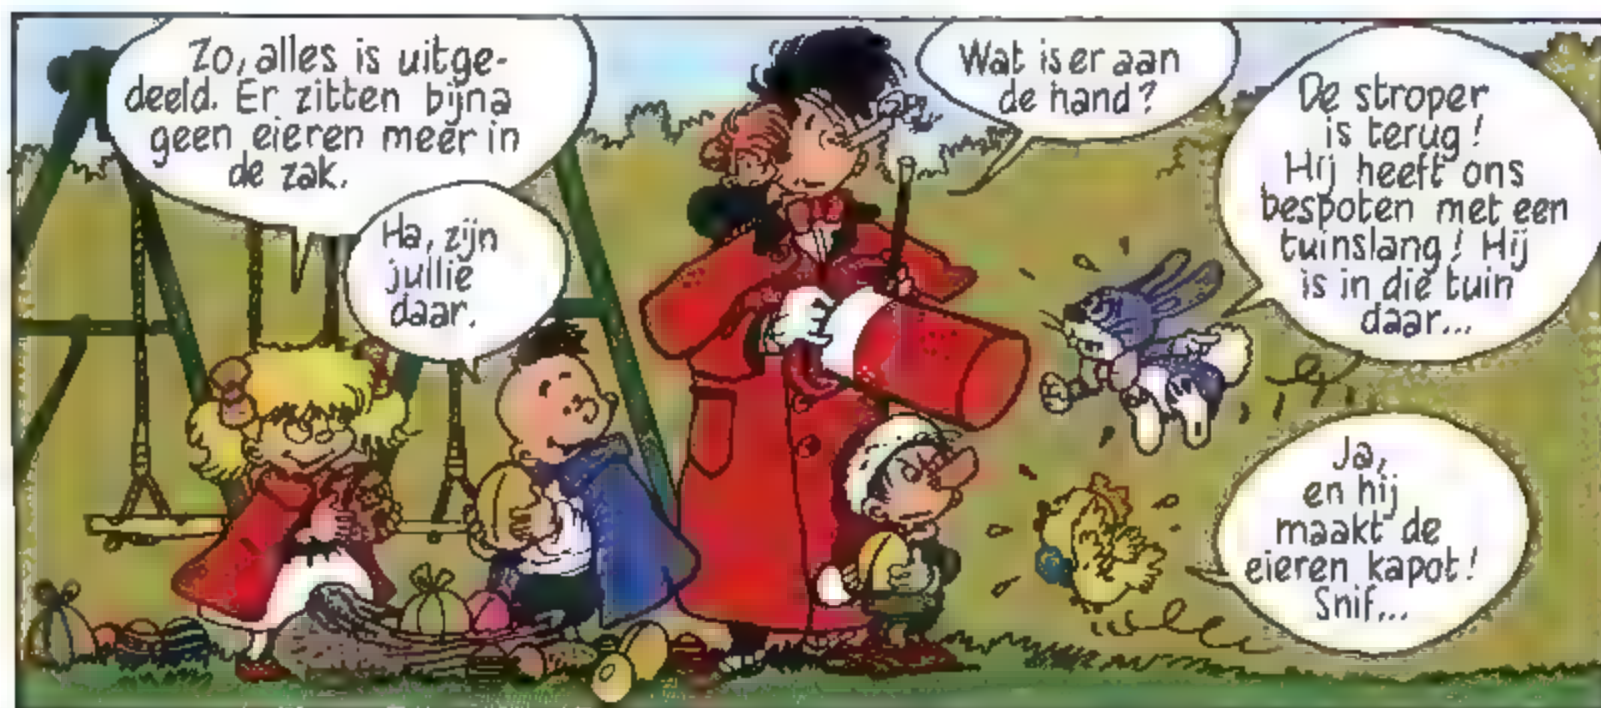

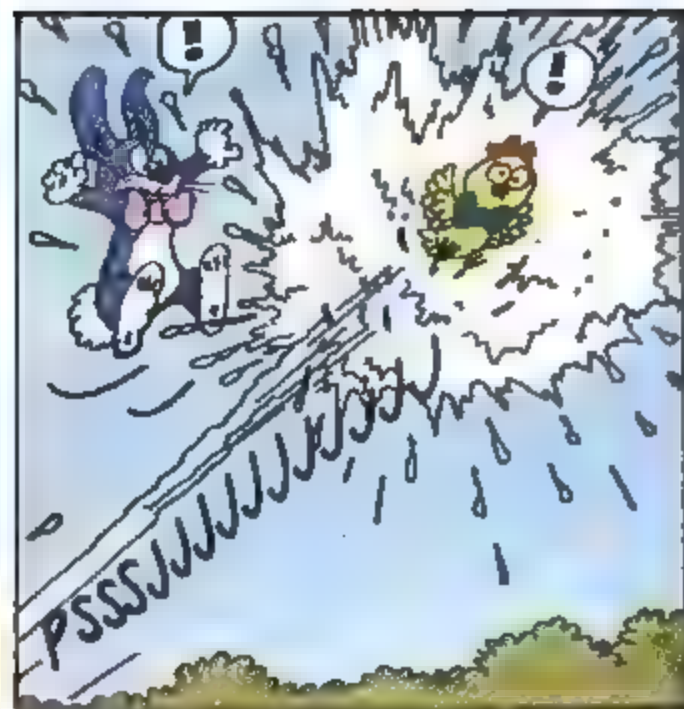

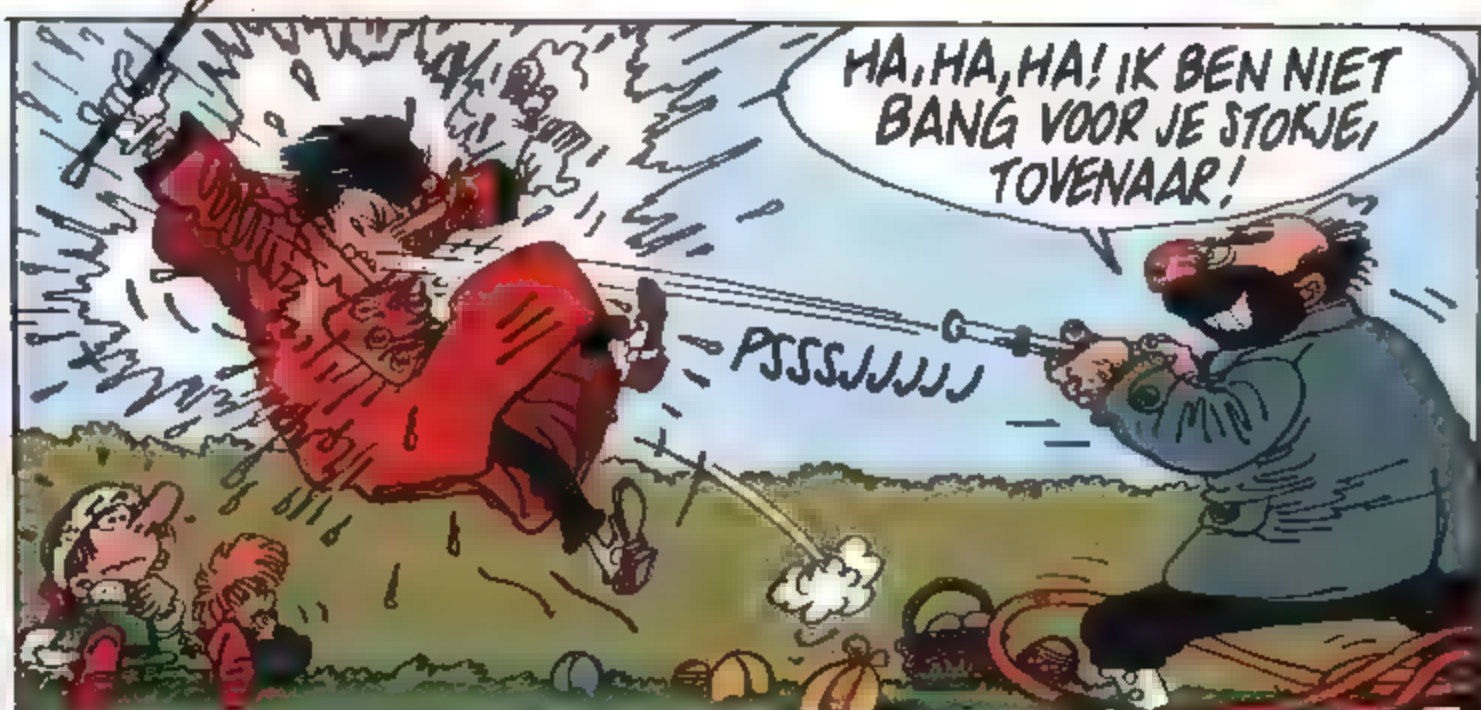

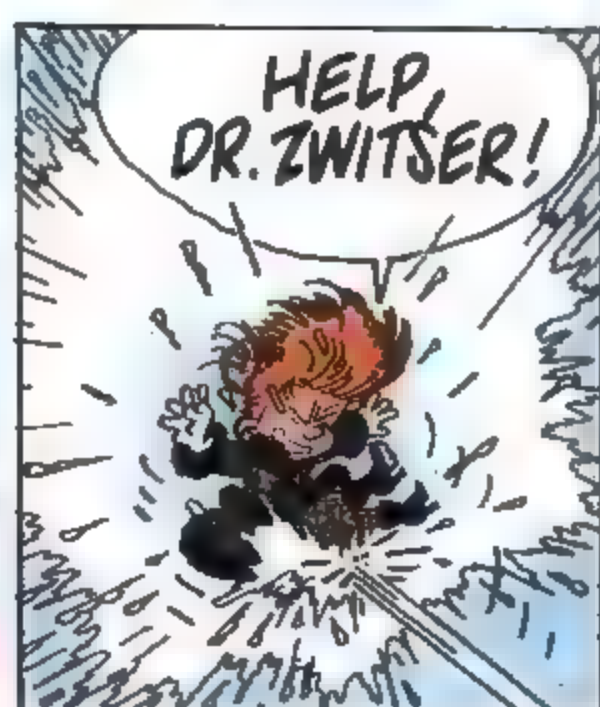

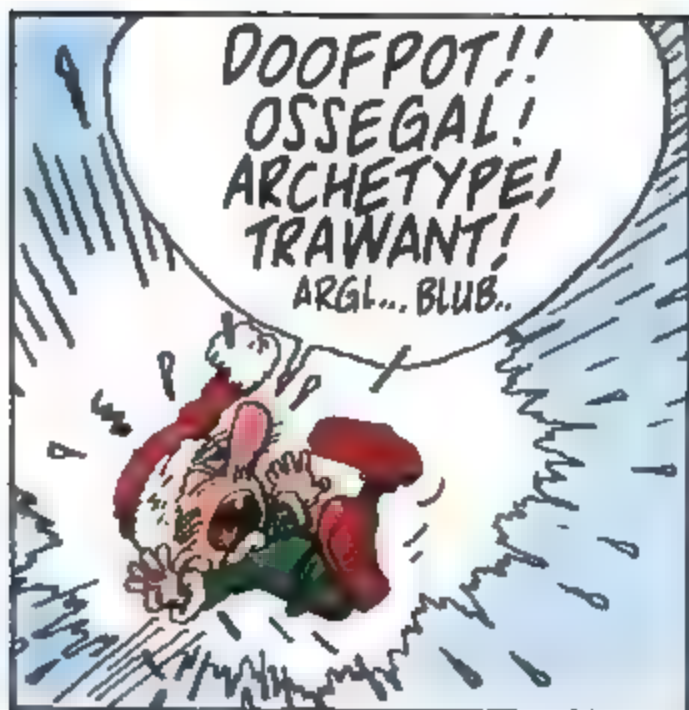

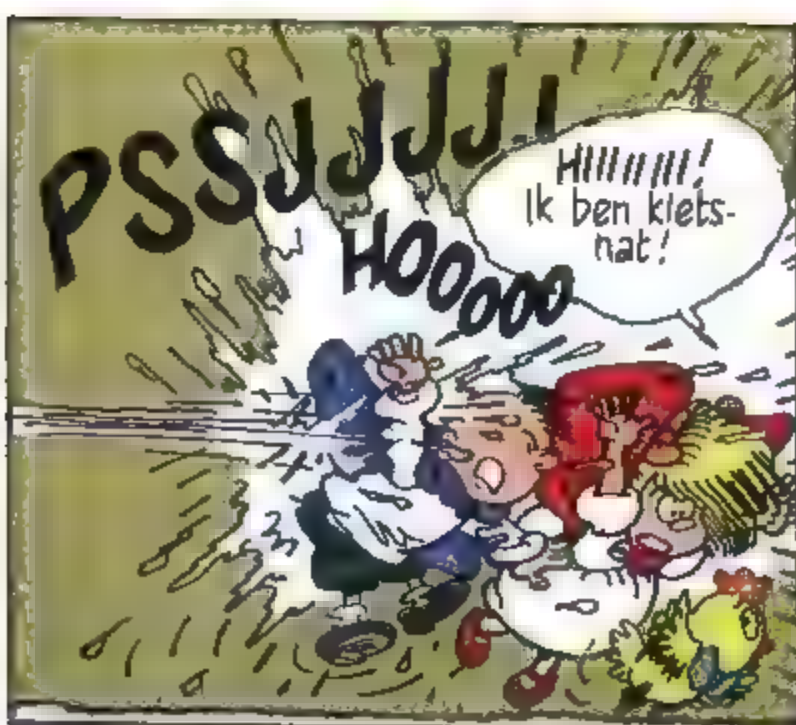

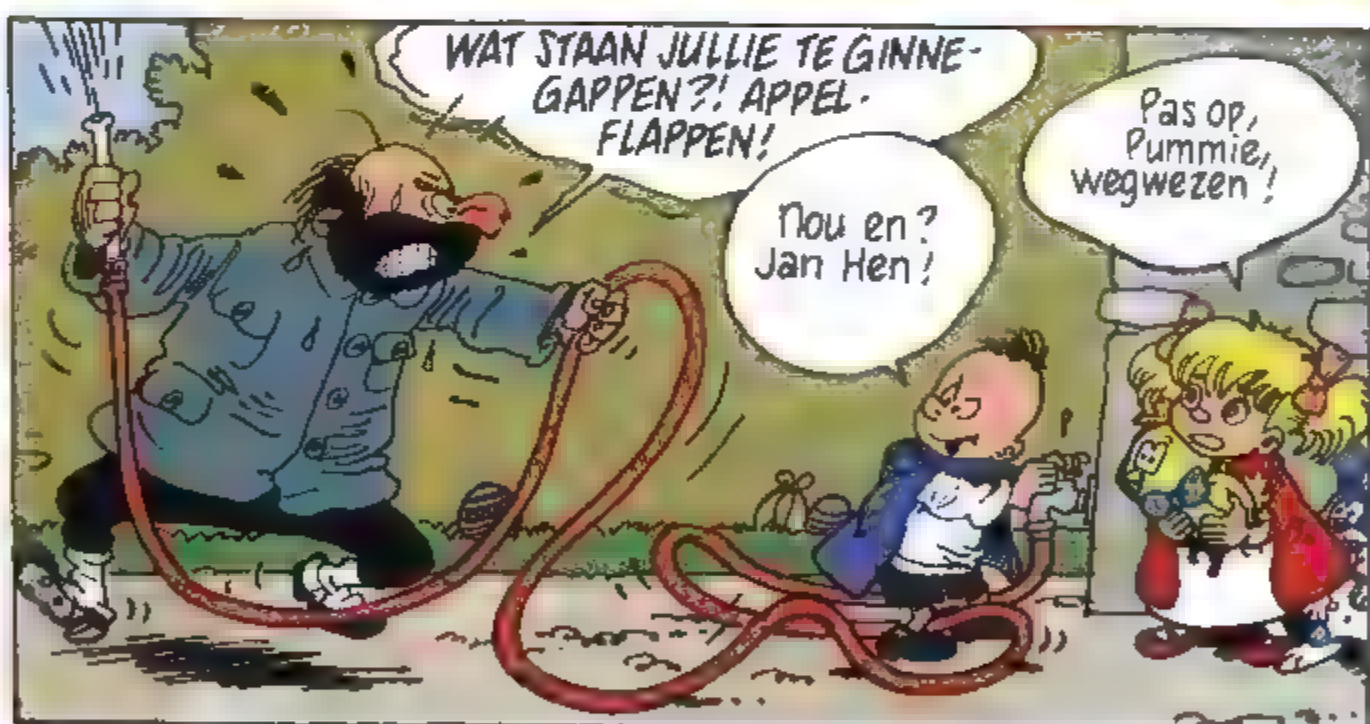

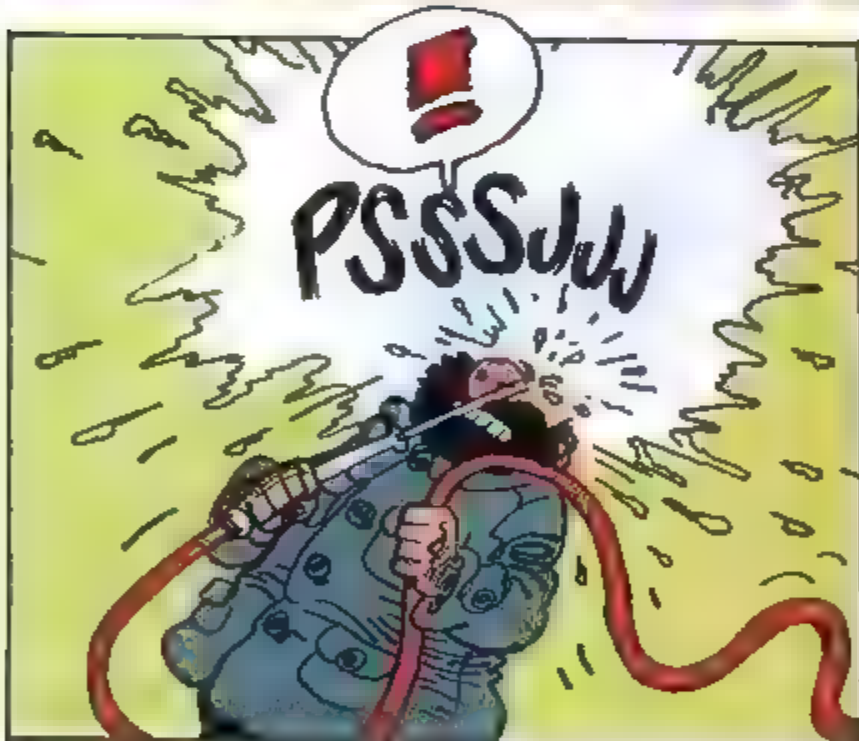

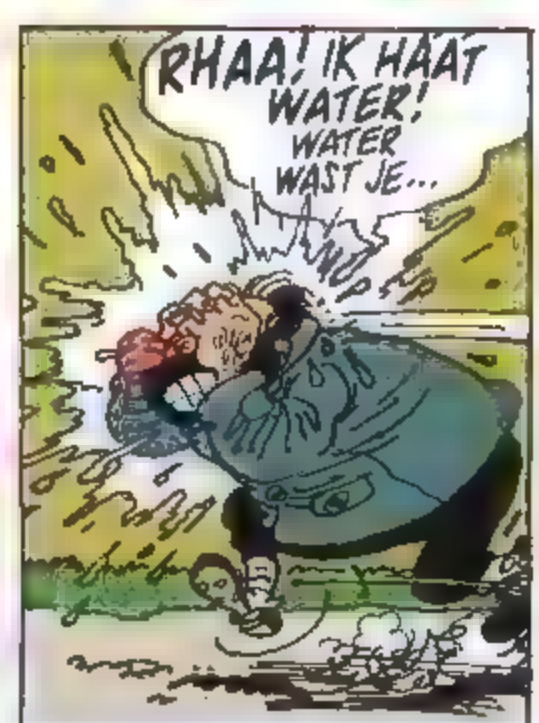

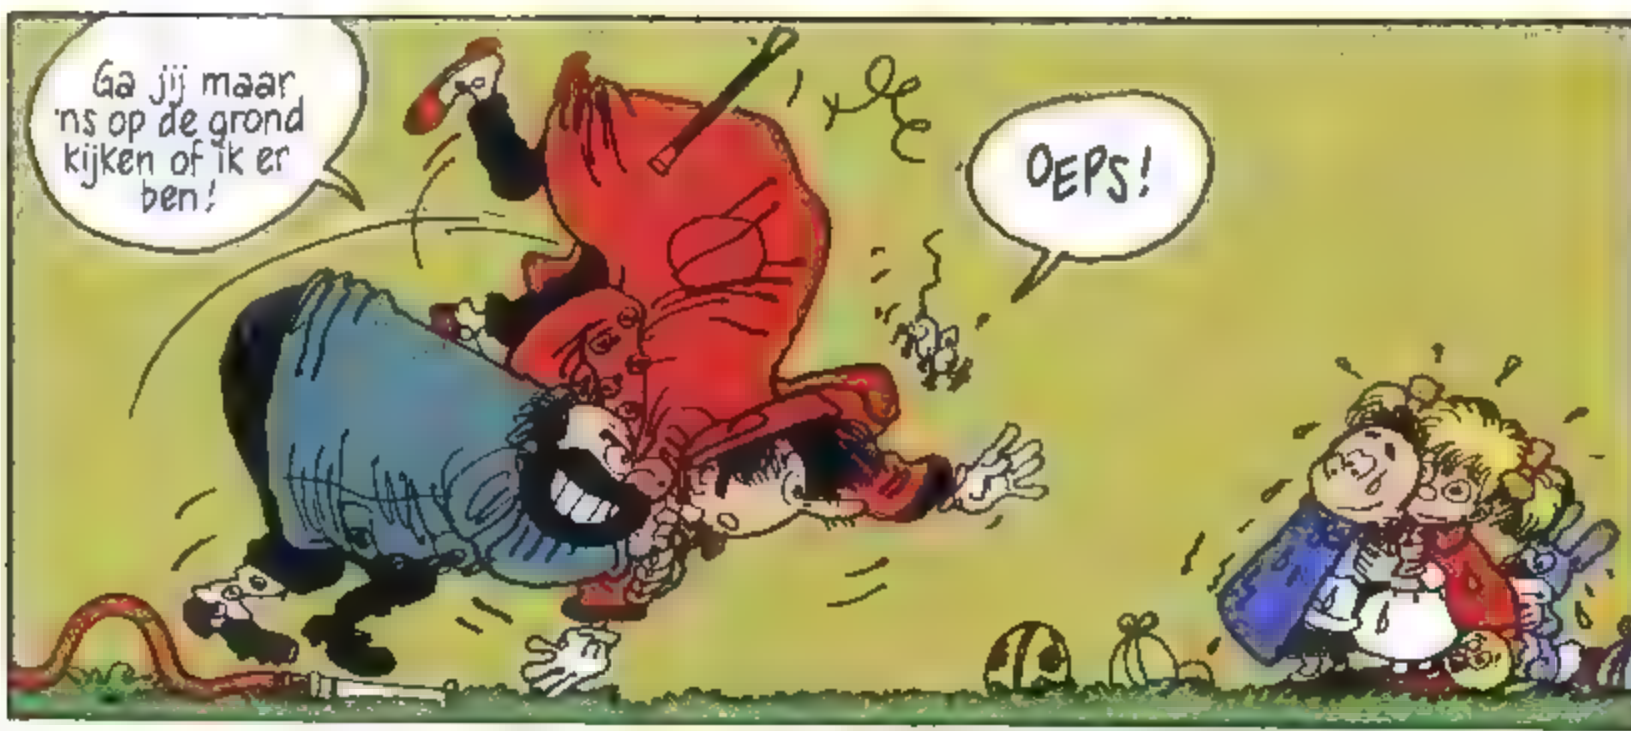

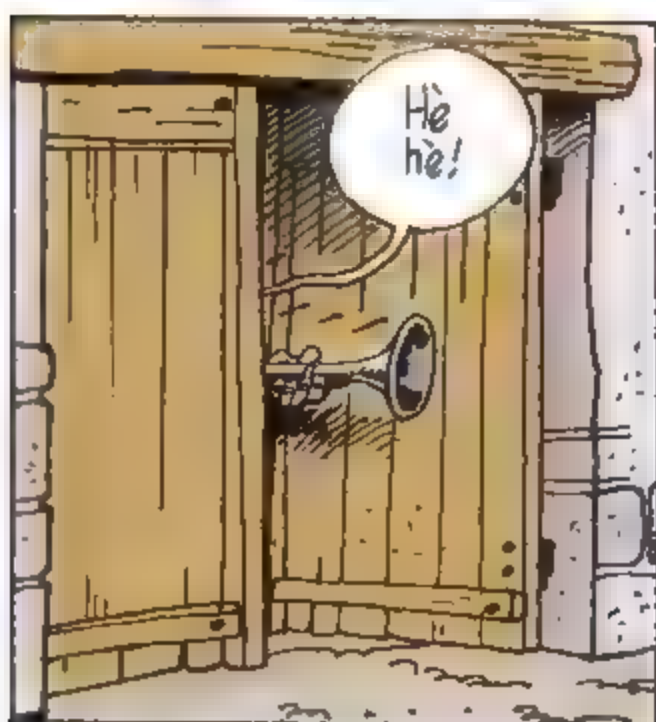

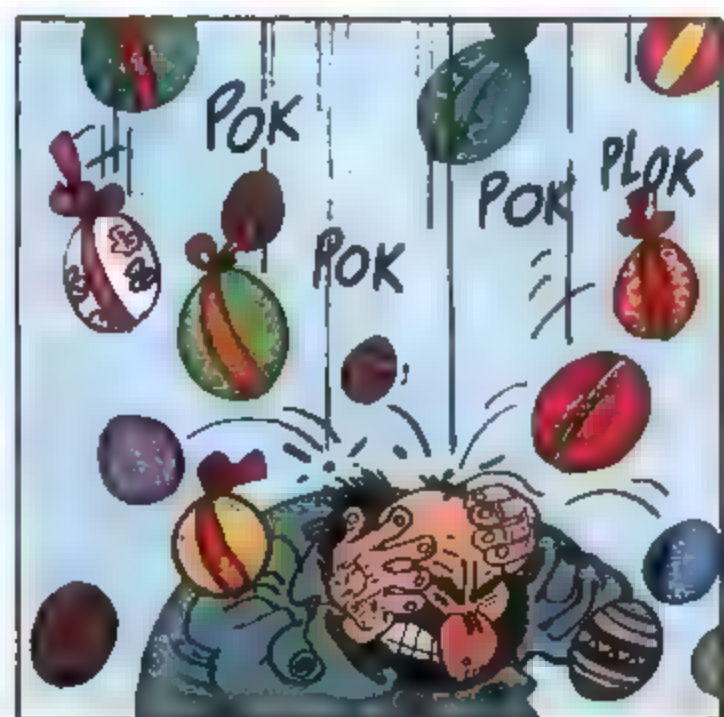

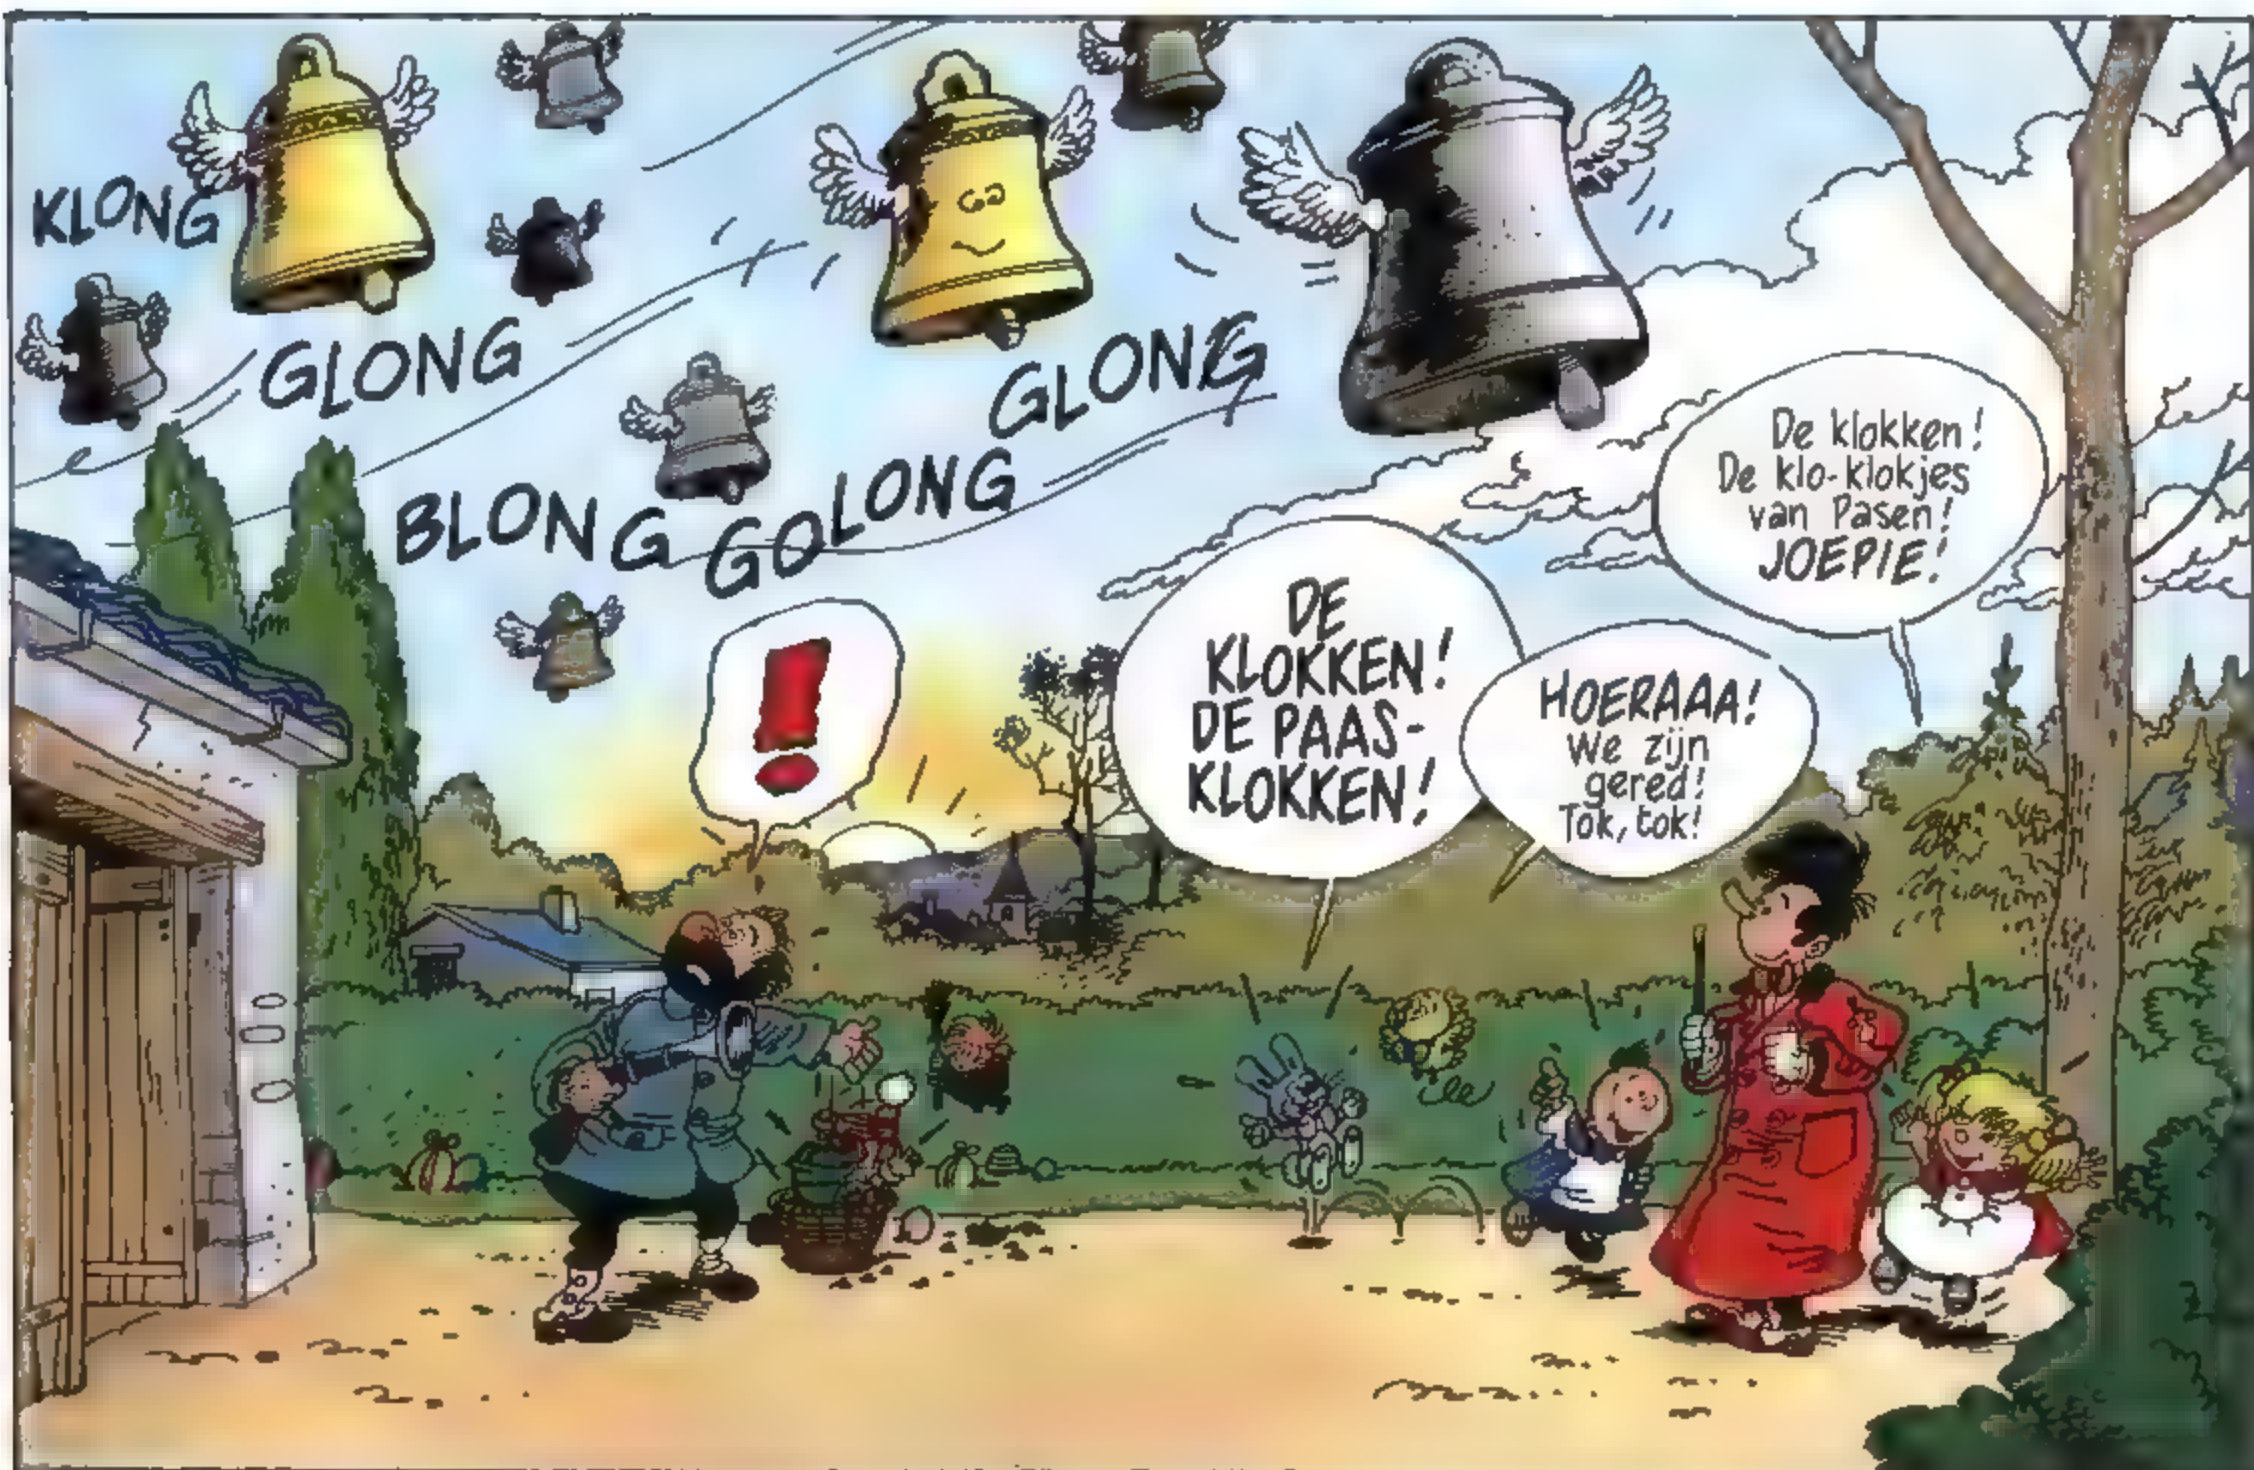

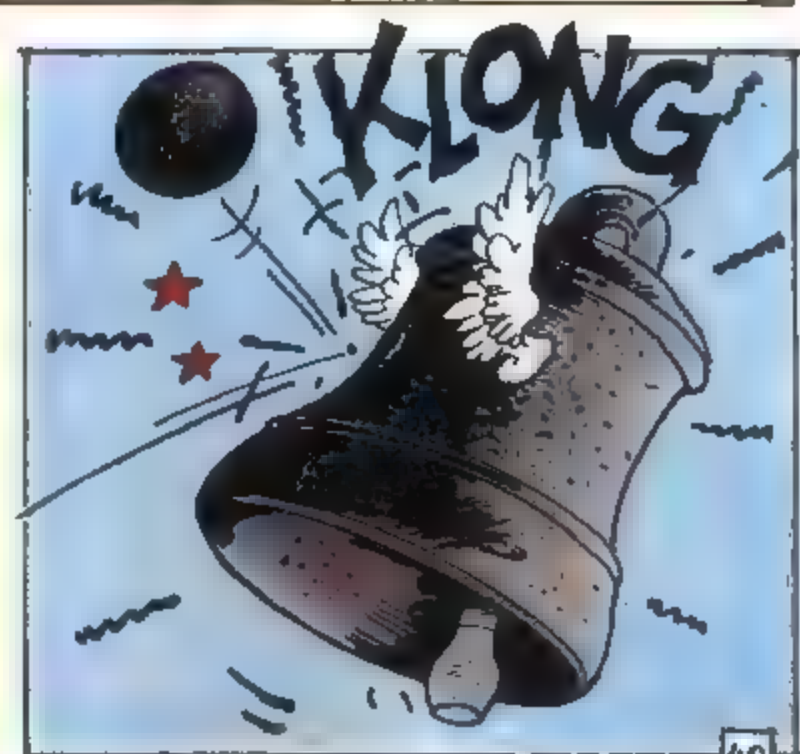

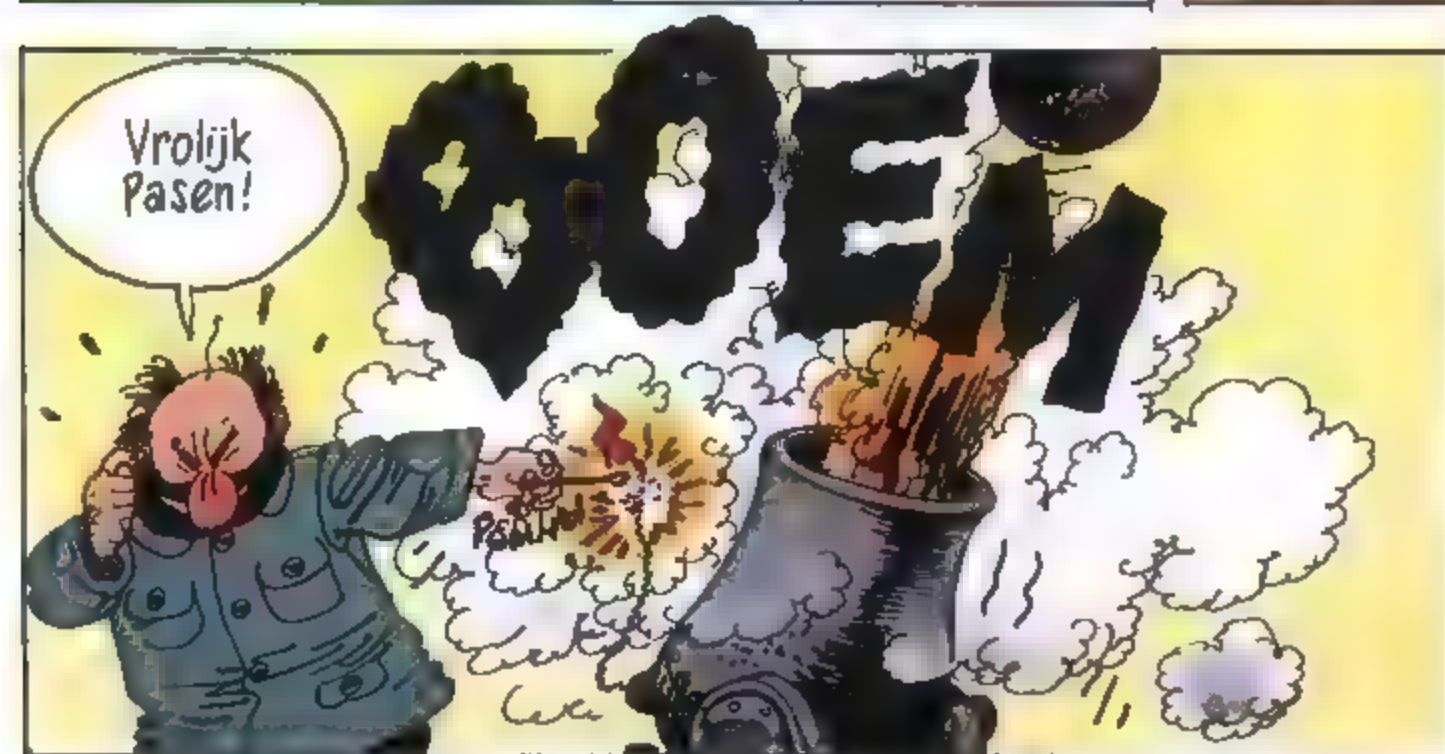

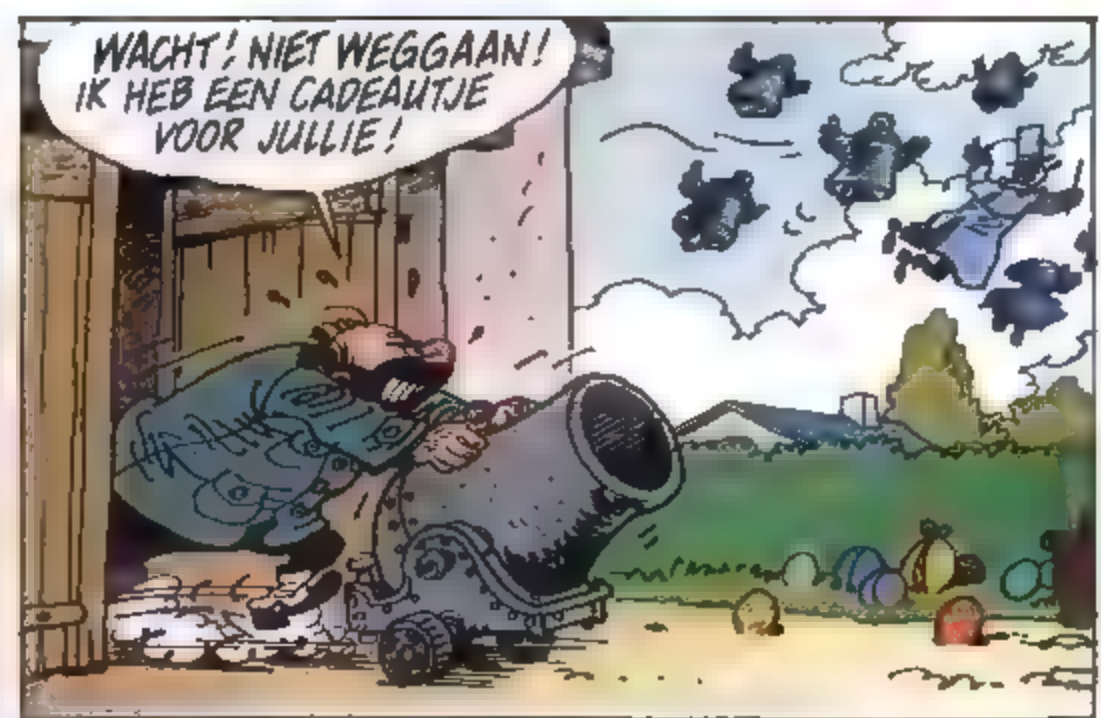

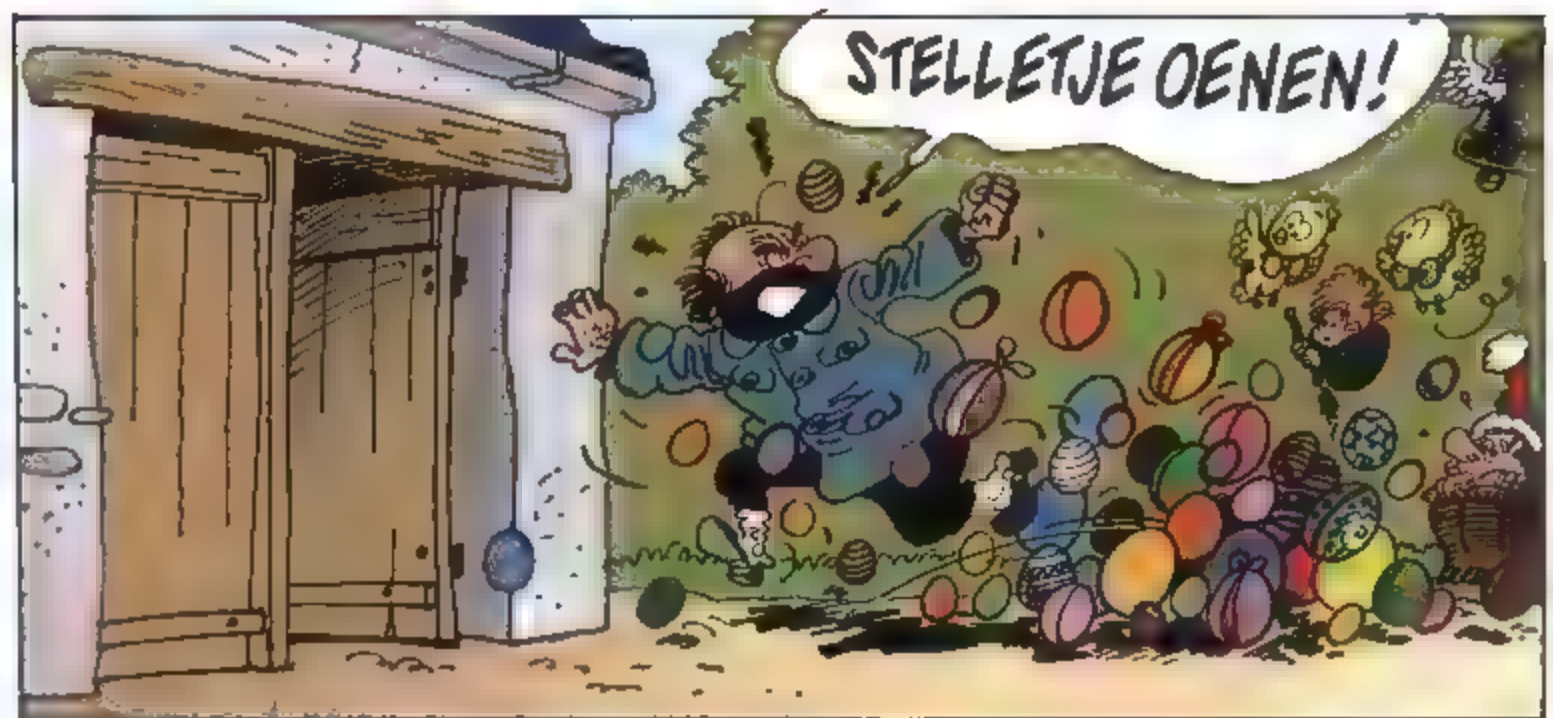

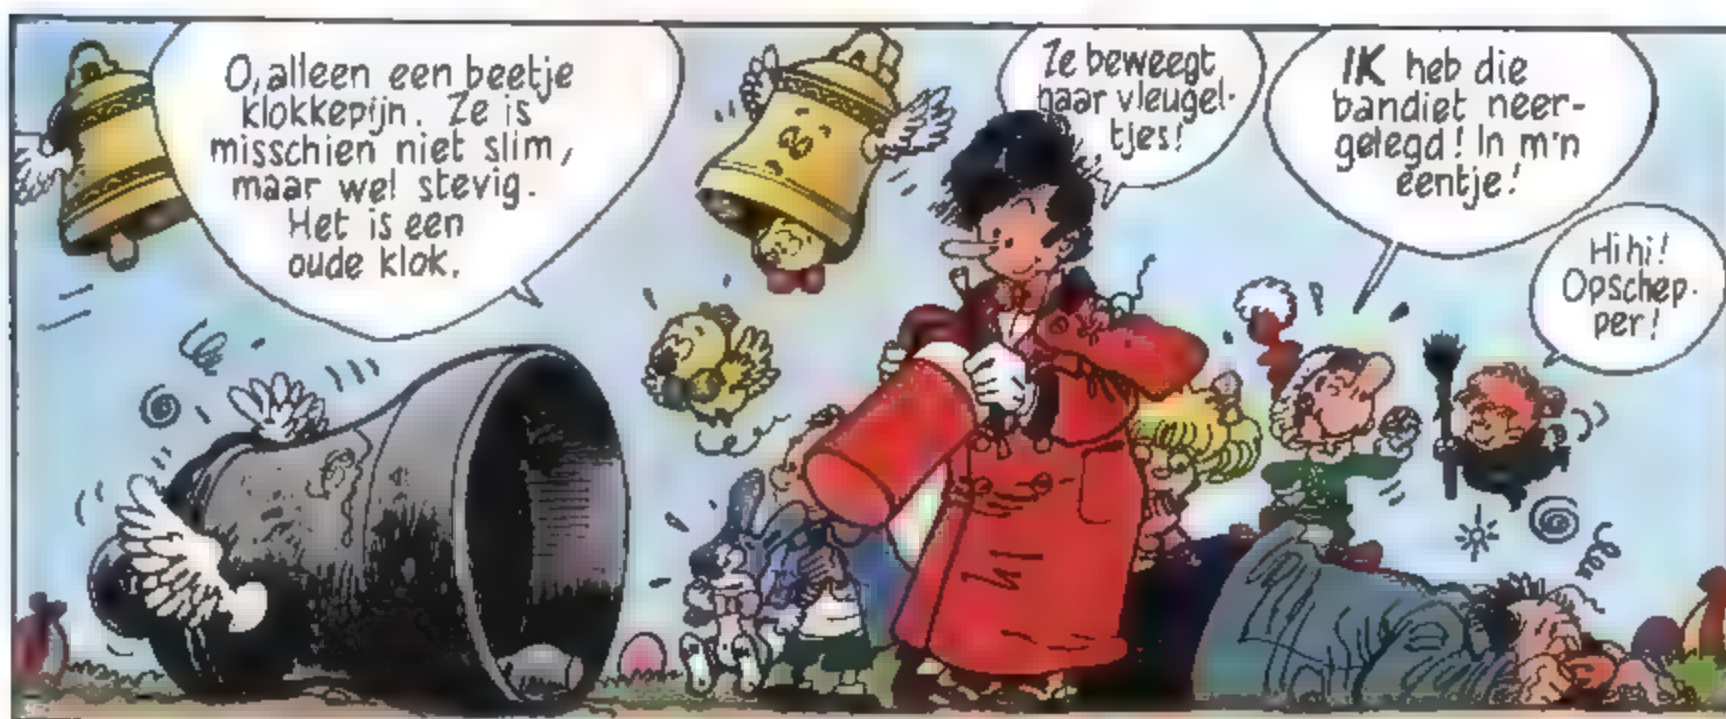

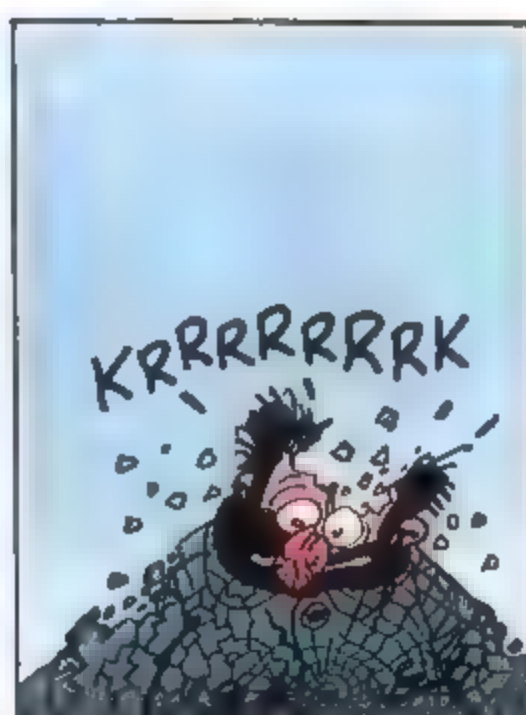

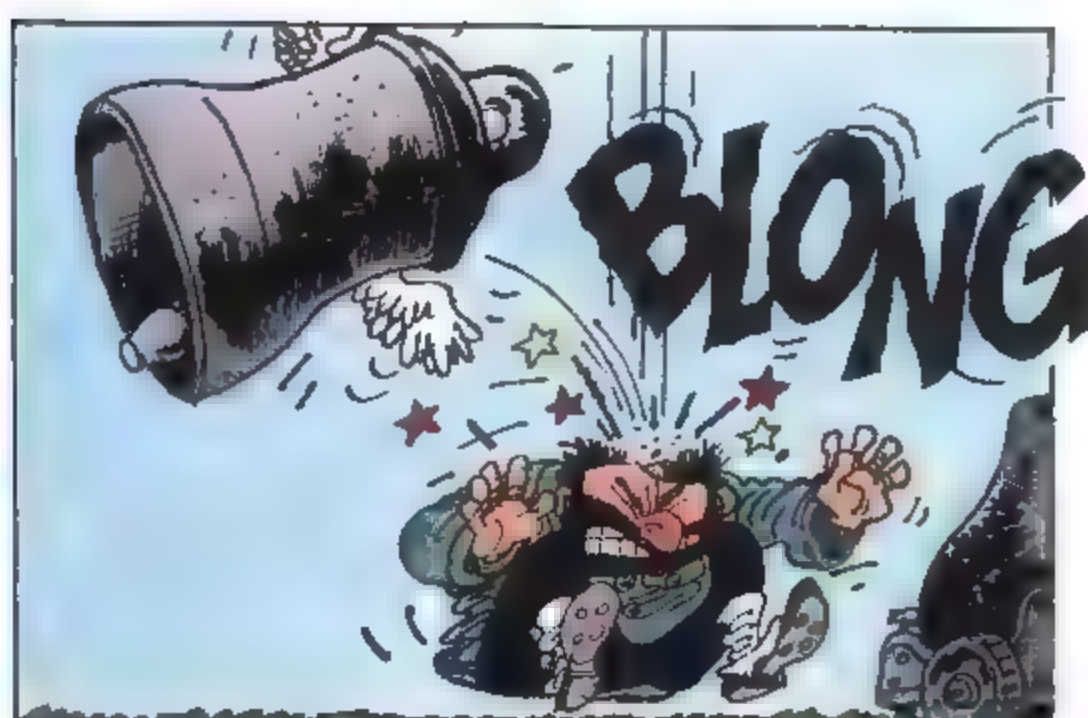

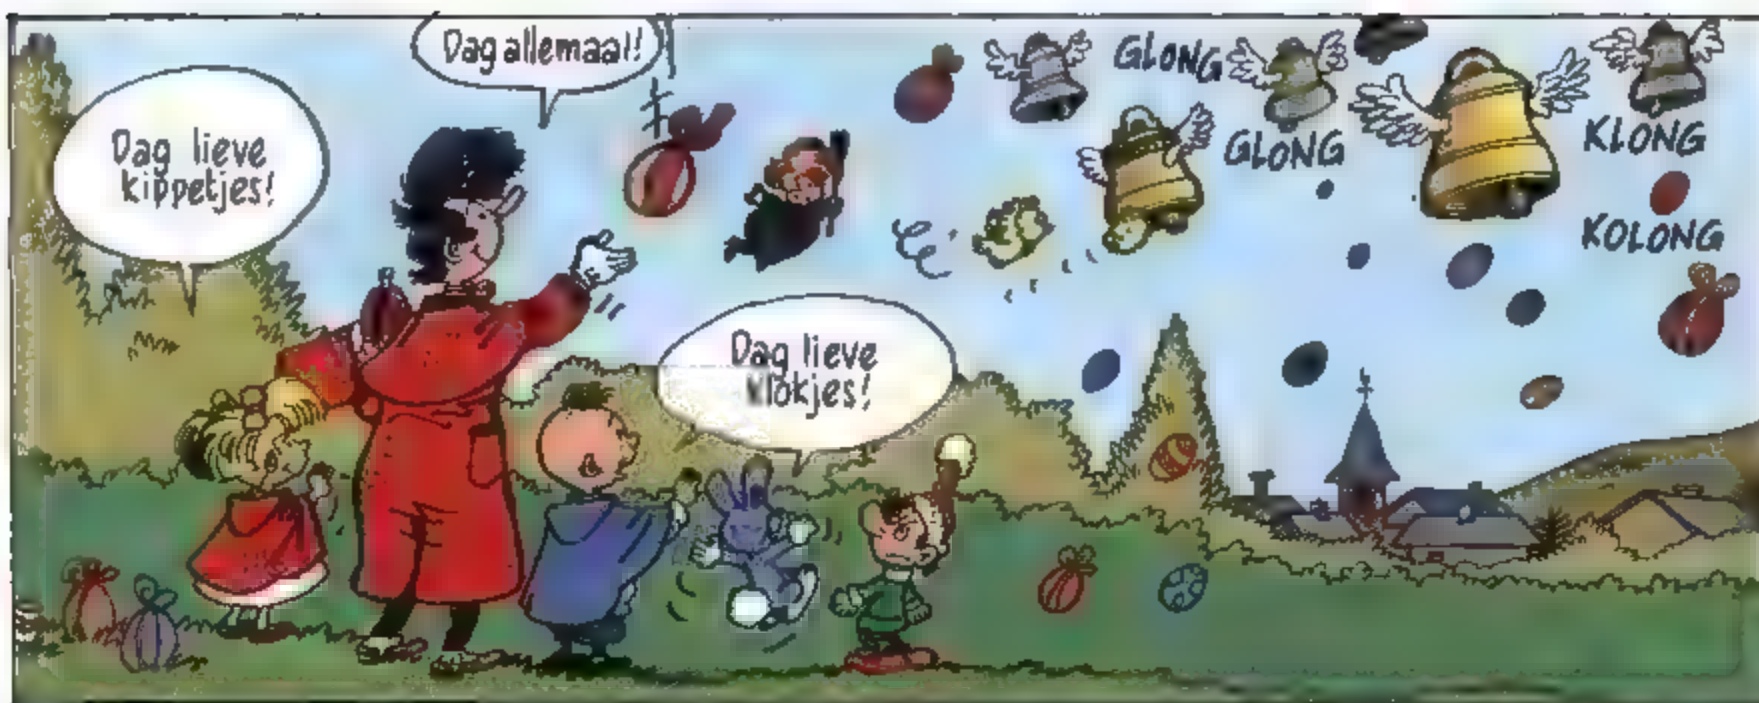

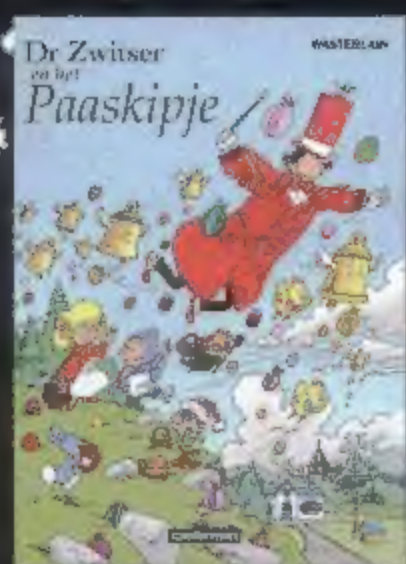

Het Paaskipje is het tweede album van Dr. Zwitser,  
die wij binnenkort zullen terugzien in nieuwe avonturen.
